

# AQUARIUS

Based on Vedic Astrology(Moon sign)

**Career, education, love, health  
or something else?**

## Characteristics of Aquarius Sign

Aquarius is the eleventh sign in the zodiac and it occupies 330° to 330° on the 360° chakra. The lord of this moonsign is Saturn, and its symbol is an earthen pot. Aquarius is an airy sign due to which your thoughts will have the flow and the reach of the wind. This is an intrinsically fixed sign. You will have a dual personality, but both your personalities will be great thinkers. You'll help others in their time of need. You're an intelligent person, and will have good powers of judgement. In thought you are fierce and independent. Everything that you do or say must have a solid foundation or you won't do it. You are filled with peace because your knowledge and power of cognition come to you naturally.

The power of your personality is extraordinary. On one side you'll like someone who's an introvert and shy, and on the other you will be energetic, argumentative and a bit peculiar. You can be a very good consultant because you are good at making decisions. You tend to get used to the atmosphere around you and if it changes suddenly, it will make you uncomfortable. You don't like to be alone and it creates depression in you. You will need to continuously rejuvenate your life-energies. Your mind is imaginative and creative and you take long flights of fancy.

The best quality you possess is that you have a positive attitude. You tend to be in control of your emotions because of which you get attracted quickly, and things

touch you deeply. You like to talk with people. Conversations recharge you and brighten you up. You like to share people's problems and their griefs. You're an open hearted person and are always ready to take risks.

### **Appropriate Career for Aquarius Sign**

Saturn is the lord of Aquarius sign, so you can do anything that comes under the lordship of Saturn. This includes professions connected to iron or leather. You can be a consultant, a mechanist, doctor or be in the mystic sciences. You may also find profit in work connected to old buildings, civil engineering, etc. Antiques or old artifacts can also be profitable for you.

## 2014 Aquarius - Finance and Wealth

### January 2014 to March 2014

This quarter may be filled with ups and downs as far as money and finance are concerned. You will work harder and make several plans for the year. You are a person of trusting temperament and have a practical outlook. Take good care of your work and avoid mistakes. You may remain very busy or occupied with your work in the beginning and you will get to learn many important things about financial matters in this period.

This quarter will not be very stressful for you and you will get opportunities to relax and to hang out with friends. You might even take a trip.

As far as earnings are concerned, it's going to be a good period. You may try to vary your earning sources. The fluctuations in the share market may worry you a bit, but you needn't worry as you will gain stability early. Your earnings may increase during this quarter, but expenses will run parallelly. It will be hard to save money.

### April 2014 to June 2014

You may have to take a foreign trip connected to some work during this quarter. There may be some problems in getting the visa or the passport, so do make sure you don't delay your applications. This is not a good time for the savings. Your business may require fresh investment and you may have a financial crunch. The positive thing is that this period will be over soon, and your fresh initiatives will bring you profit in the future. If you have an old debt, you may be rid of it in this quarter.

This period may be good as far as property is concerned. Government contractors may get a tender or a contract they were vying for, but there will be expenses even before your earnings arrive. You may have to dip into your savings for some important expenditures. There may be money spent on some health problems for a family member. You may also take a financial tour. Your business partnerships will be fruitful and will help you resolve your financial problems.

### July 2014 to September 2014

You may have to struggle a lot to keep your financial position stable during this quarter. You may shop a lot and may end up buying some expensive things. Continue your efforts and struggle, this will help you move towards a better

## **2014 Vedic Horoscope**

financial position. You may make important deals or make important decisions though there will be confusion and delay. A government project may give you a fillip to your earnings. If you have kids there may be fresh expenses on their education.

Your sources of income will continue to be stable, but make sure you don't leave any work undone and don't rush through your jobs because that will affect your earnings. There will be no relief on the expense side and you may still have trouble making savings. You may have to make some expenses on a family member's illness. There may be some fresh profits in the last part of the quarter. If your money is stuck somewhere then there are chances of recovering it. Keep working to increase your profits, and get the results that will help you progress.

### **October 2014 to December 2014**

You might be planning to invest your funds or to buy a new property. Trying to save for your investments might create some cash flow problems for you, but you will be able to benefit in the future. You may end up having to shoulder a fresh responsibility. If you have entered a new line of work then you might be about to make a sizeable deal.

There may be an increase of funds from foreign sources, but you may have to spend more on other things. There are chances of some financial problems so avoid lending out money during this quarter. You can take your the advice of your parents or younger siblings about money. The guidance from your elders will be very helpful to you. There are chances of earning from sources other than your line of work.

## 2014 Aquarius - Career & Profession

### January 2014 to March 2014

The beginning of the quarter will give you mixed results in your job or business. You might run into some fresh obstacles or may have some disagreements with your co-workers. The planets say that you might also need to make some journeys. You will establish fresh connections, but the fruits from them will only arrive much later. Your business will spread to newer locations. You may feel concerned about your job, but the concerns will go away after some time. You will do good work and your boss will be satisfied.

Some of the work that you were struggling with will gain momentum during this period. You may also receive some work from a stranger, but do take care that you inspect the work carefully and find everything in order when you do it. At the end of the quarter you may form fresh relationships with foreigners or people far from your place of work. The transit of malefic planets may have some bad influences though.

The important rule to follow is to listen to people carefully, but avoid getting into arguments with anyone. Be patient and don't get stressed about government work that's being delayed. Due to the influence of Saturn and Rahu you may have to newer delays in the work that's near completion. Keep fighting the circumstances and you will be able to overcome the problems.

### April 2014 to June 2014

Things at the workplace will be easier, and you will make good beginnings. You can develop a deeper understanding of the future challenges if you pay attention to the paperwork in any new project and think about both the good and the bad of the situation. Be polite to your colleagues or you might run into problems. There might be some hassles from the government, but on the positive side if you are in the import-export business or in IT, things will be generally good for you.

This is not a good time to implement fresh plans or policies. It might be a good idea to slacken your pace if you are trying to do something really new or fresh. Don't be

## 2014 Vedic Horoscope

in a hurry because the efforts you make right now may not be in the right direction. This is a good time to focus on skill development and to wait for a better time.

### July 2014 to September 2014

This quarter will be good for your business or job, and will get you fresh achievements. Your family members might join your business and will help you achieve higher milestones. There may be small disagreements but you can put them aside with a little thought and effort. Interior designers will have a good quarter and will grab fresh opportunities. People will appreciate your work. Those in the job might have some uncomfortable moments, but it's best to ignore them and continue doing your work well.

If you are in a partnership then lack of knowledge of your domain will pose a problem. This is a good time for people in non-traditional businesses. Hurried decisions may cause you to lose some money or hurt your finances, so think before you leap. Your efforts will start bearing fruit from the second part of the quarter. Your bosses or seniors will seem to be satisfied with your work.

### October 2014 to December 2014

This is the time to think through your decisions. If you are looking for a change in the job then you might have to wait but you'll get the job you desire. Use this time to finish your pending work because you might become very busy later on. You might have to travel for business purposes. There will be opportunities to travel for leisure and for entertainment. Your family business will need your help and you might get a higher workload at your work.

Businessmen will reap profits. The efforts you make now will pay up, so stay sharp. You can fine-tune your strategies in consultation with experienced people. There are pretty good chances of progressing in your job or grabbing a promotion. Participating in social activities may introduce you to some influential people which will prove to be of use to you. Your opponents will try to stop you, but you will be able to bulldoze your way through. Your profits may fluctuate a bit. Don't depend solely on your employees to get your work done. Monitor the situation closely.

### Important

You may have to struggle with some problems at the workplace till middle of the year. To reduce this obstacles you should present 'Meethi Boondi' at a Hanuman temple every tuesday and then distribute it to the children outside the temple. Pray with full devotion to lord Hanuman.

## 2014 Aquarius - Health and Fitness

### January 2014 to March 2014

This year may create some fresh concerns about health. That's why you should take care of your health and not succumb to seasonal changes. You should keep away from anger and perform your responsibilities with a peaceful mind. There will be some tasks that could create some concern in your mind but you can overcome this situation if you keep a control on your thoughts.

Start the year on a positive note with good intentions and good health and the year should pan out well. There will be some positive happenings in the family which will refresh you and increase the happiness in your household. There's a chance that couples who are looking to conceive will get a good news in this period.

Keep a check on your emotions which will help you fight mental stress and you will be saved a lot of worry. You can try meditation, it will help you relax and freshen up.

### April 2014 to June 2014

Your health will improve during this quarter. You will feel energetic and will get time for yourself. On the flip side you may be busier than earlier which could make you a bit tired. You need a break from your work. The rush to earn more and achieve more is hurting your health. The influence of Jupiter is helping you maintain stability in your health. Children may have to fight with some stomach ailments though, and playing excessively may tire them. Try not to let them stay out in the sun too long.

Take your meals on time and don't overeat because that's not going to be good for your health, in fact it may be actual reason for your fatigue. Failure at work may be taking its toll too and you need to be double as sharp about your health to fight all of that.

### July 2014 to September 2014

Try to keep your attitude positive during this quarter, because when negativity starts to creep in, it will make you obstinate. You will stop listening to other people and follow your will blindly. If you are suffering from any chronic disease then you

## **2014 Vedic Horoscope**

need to be cautious. Follow the directions religiously and see a doctor instead of trying to treat yourself.

Children may suffer from coughs and colds. You may feel a little restlessness, but your health will be fine around the middle of the quarter and you might even want to take a trip somewhere. This trip will recharge you for action.

### **October 2014 to December 2014**

Be wary of your enemies as they may create stressful situations for you. You might feel the stress from journeys too. Health problems at home might also be a cause of worry. You need to take special care while driving to prevent mishappenings or accidents.

You may be in some challenging situations in this quarter but you can get out of them with your intelligence. Generate the confidence to take them head on or your health might take a hit. Planetary combinations suggest that you are prone to worrying over little issues and there may be reasons to worry from the side of your parents or seniors.

## 2014 Aquarius - Love & Relationships

### January 2014 to March 2014

This is going to be a mixed quarter as far as relationships are concerned. You may feel a strong yearning to get the person you love and may even let emotions overcome you. Your relationship will be stormy, but there will be enough beautiful moments that will take away your fears.

You will enjoy the company of your partner and you will spend some blissful time with him or her. The obstacles in your path will clear up and this period will give opportunities for your relationship to develop. If you are single and looking then your search might end in this quarter. New relationships will bring you happiness and you will also receive the support from the elders in your family.

### April 2014 to June 2014

This is a good quarter for relationships. You may enjoy someone's company unusually in your family. This could be a time for hidden lover affairs. You might feel an attraction for somebody but might hesitate from telling them. Your friends may help you express your feelings.

You may feel drawn to a stranger but this relationship may become a cause for some pain. Do not rush into love. You should take into account everyone's expectations before taking a decision. Work may keep you away from love, and you may not get the opportunities to express your feelings. This may even create some misunderstandings and hurt your relationships. There are combinations for lack of communication between you and your partner.

### July 2014 to September 2014

You will make an effort to sweeten your relationship with your partner. Don't be obstinate and don't be afraid to own up to your mistakes and strengthen your relationships. There may be discussions of your marriage and you might meet the man of your dreams. This is a time for fresh relationships, new friendships. A new friend may be knocking at your doorstep and will enter your life. Some relationships may end prematurely and you may feel a bit lost. They might divert you from your work.

## **2014 Vedic Horoscope**

You must not let any stress enter your home, and use rest and relaxation to get rid of the tensions caused due to your relationship. Your relationship may be a cause of unrest at home. In the third part of the quarter your relationships will become stronger and vibes will be positive. Don't keep grudges.

### **October 2014 to December 2014**

The last quarter of the year might take you on a secret journey for love. You might also be a bit occupied due to your affair and might meet some new person. Your heart will be in a conflict. Don't hurt your existing relationships in temptation of a new one.

The talk of your marriage might trouble you a bit at home. You should try to develop confidence in your existing relationships instead of creating a new one. Keep away from extra-marital affairs or multiple relationships as they may be a source of problems and might sully your reputation. The last part of the quarter will be the best and your partner will be a source of happiness for you.

## 2014 Aquarius - Students

### January 2014 to March 2014

The first quarter will bring students new opportunities to show their talent and capabilities. You will get the support from your family. Your family members will support you in your effort and guide you. You will also get important tips from your teachers. You will be able to focus on your studies and gain a good understanding of your subjects.

### April 2014 to June 2014

You will not slow down your efforts in the second quarter either. You will continue being focused on your goal and will work hard as ever. If you have been planning to learn a foreign language then this is the time to apply. You will be able to gain admission in your preferred subjects with a little effort. Those who are interested in the arts will perform well in this quarter.

Your mind will be diverted to the arts and this will hone your skills. At the end of the quarter you might feel drawn towards other things, so make an effort and put yourself back on the track.

### July 2014 to September 2014

You need to pay a lot of attention to your studies during this quarter. You may feel under a lot of stress and may be distracted towards other things. You may also feel a conflict in choosing your subject among several.

This is not really a good time for students. That's why the parents and guardians need to pay special attention to their children. If you have not been maintaining good relationships with your teachers then this period may create some stressful situations. Fight your stress and follow the principles of an ideal teacher-student relationship.

### October 2014 to December 2014

This quarter may be filled with ups and downs for students. Don't make the use of any unfair means to achieve success. Any wrong thing that you do will create

## 2014 Vedic Horoscope

problems for you and reduce your peace of mind. Don't take shortcuts and depend on hard work and a positive attitude to achieve success.

Those who use fair means and hard work will benefit this quarter, and on the other side those who have been trying to use unfair means will reap just fruits. Keep yourself away from the dark side, and focus on the basics with a peaceful and patient mind.

## 2014 Aquarius - Travel

### January 2014 to March 2014

Be careful when you start on a journey in this quarter. You may have to take some journeys for work but must take good care of yourselves during these journeys. The influence of malefic planets may create some discomforts and stress for you.

If you are going to drive on your own then be careful while driving. You may also take a journey for an important family business. It's likely that you may be traveling a lot in this quarter.

### April 2014 to June 2014

It's better to delay traveling if you can. If you can't prevent it, and you have to take a journey then minimize your interactions to make the journey more comfortable. If you proceed too fast it will cause problems for you. Don't drive too fast to prevent an accident. Remember, accidents happen on road not just due to your fault, but the fault of others too. You should take special care at the beginning of the quarter.

### July 2014 to September 2014

This quarter may be fruitful as far journeys are concerned. You may undertake some long journeys connected to work. There's a chance that someone might try to create problems for you during the journey, but you can handle it if you are patient and prepared. Make sure you have packed well and have everything you need to make this trip.

### October 2014 to December 2014

You may make some long-distance journeys during this quarter. You may have taken some secret journeys that you don't want to talk about with other people and it's possible that this journey might still be on. You might meet a mystic or a guru during this quarter who will inspire you to make some religious journeys. There may be some interruptions in your journeys, but they will be a source of learning for the future.

## 2014 Aquarius - Family

### January 2014 to March 2014

The year is going to begin at a positive note for your family. You may find peace in praying and religious activities and will also enjoy good times with your family. You might bring some gifts for your family members and try to fulfill their desires. Your children will be a source of happiness for you, but there might be small disagreements with your siblings.

Do not ignore your relations and listen carefully to what your parents say. You will be able to protect yourself from costly mistakes, and will be able to live peacefully in your home despite the disagreements. Some actions by a senior person might irritate you, but you will be too busy to pay it any real attention. You should focus on changing your own behavior to maintain the prosperity in your home. You may visit some relatives during this period.

### April 2014 to June 2014

This is a time to socialize and meet people. You might have guests during this quarter. You might also want to re-decorate or renovate your home. You might make some powerful friends. Something you do might make your family displeased with you. Try to get rid of this situation as soon as possible.

Those who are in a love affair and are looking to get married may find their marriage being finalized or happening at the end of the quarter. This is a good time to form new relationships. The expenses may go up a bit and you might buy a car or some other expensive item for your home. You will enjoy a lot during this period and will meet some old friends. Try to forget your worries and enjoy the moment.

### July 2014 to September 2014

You might have to be away from your family for a little in this quarter due to work. There may be some stress in your relationship with your parents. You might want to be alone which will make people think you are cold hearted. People will try to stay away from you due to your temper. Try have a soft attitude and do not use harsh words for anyone.

## **2014 Vedic Horoscope**

Your situation will change by the end of the quarter. There may be a blow to your public image, and your enemies will try to dominate you. You will have to win people over again with your work. There may be some legal hassles which could worry you. Your children's career might also be a cause of concern.

### **October 2014 to December 2014**

The last quarter of the year will bring you much needed improvements and relief. Whatever ups and downs that were a part of your life till now will settle down, but don't expect it to happen overnight. The beginning of the quarter will be spent taking care of all the misunderstandings and there will be a lot of activity in your home. You may have a sour relationship with your mother, but you must carry the responsibility of improving them. You will start achieving success from the second part of the quarter and your family will be back on the road to peace and prosperity.

The disagreement or legal tussles concerning property might be resolved, but take care that you are not cheated or duped. Major or minor hassles will start resolving by the middle of the quarter and you will be able to spend good time for your family. Don't get into arguments with your family members, specially the elders.

You might meet some old relative or friend during this quarter. You will get an opportunity to go out with your life partner at the end of the quarter. You will be busy with work but will be able to take time out for your spouse which will make your relationship stronger.

### **Aquarius Predictions 2014 - Remedies**

Do the path of Sundarkand every Tuesday. Feed jagger and gram to monkeys on Saturdays. Chant the Laxmi Chalisa every day in the morning.
