In the second month of this quarter, you can receive some help and support from your life partner. However, you may not receive this help for long. Due to planetary position, you may lose your money in unethical or illegal activities. Most of your money will be spent on unethical activities. You may be involved in gambling, drugs and other such illicit activities and substances. You will also waste a lot of your time on such things. However, your life partner may be supportive during this period.

## 2014 Aries - Career & Profession

### January 2014 to March 2014

From career point of view, this quarter will be auspicious for the people of Aries sign. During this period, you will make a lot of efforts to reach your goals. You may be appreciated by your superiors. You will surpass your colleagues to receive recognition and appreciation for your work. Your friends will also help you during this period. This will be reflected in your work. You may try some innovative techniques and approaches regarding your work. You will be fortunate in this quarter. In the second month of this quarter, you may be promoted in your job. However, it is possible that you will not be satisfied with this change in your life. If you are looking for a new job, you should apply or join before march. This is because you may not be very stable in your profession after this period.

For businessmen, this quarter may be a bit inauspicious. You need to focus on your work during this period. You may slow down your efforts and feel a bit lazy in this quarter. In the beginning of this quarter, you may use some strategies to succeed at work. If you run a business in partnership, you need to be careful in the second month of this quarter. This is because you may incur some losses during this period. Someone may also accuse you of wrong-doings.

If your business is related to a foreign country, you may receive some benefits. This period will be auspicious for people related to politics. You may get some good opportunities during this period. You may also achieve an authoritative position. If you think everything thoroughly, you may get some good opportunities. At work, your life partner may also try to help and be supportive. With his or her help, you will be able to succeed in life.

### April 2014 to June 2014

From career point of view, this quarter will be average for the people of Aries sign. During this period, you may develop some new plans related to your profession. In fact, you may also experience some problems because of your straightforward nature. During this period, you need to think thoroughly before taking any decisions. If you rush into decisions, you may have to face some consequences. You

## **2014 Vedic Horoscope**

need to avoid any confrontations at work. You also need to make efforts to resolve any kind of disagreements.

In the second month of the quarter, you may want to change your profession. You need to weigh all pros and cons related to such a major decision. If you rush into any decisions, you may experience some problems later. Your superiors will be dissatisfied with your work during this period. They will not appreciate or praise your work. This is because you may have to work over something again and again. In such a situation, there are chances of failure as well as success.

During this period, you will like to keep your plans and strategies secret. You may get some good opportunities to earn some money. An exalted Jupiter is aspecting your house of business. Thus, there are indications that you may receive good benefits. You will be able to defeat your enemies. This period will be auspicious for businessmen. You may think about expanding your business to a foreign country. This quarter is good for import and export business. This period will be even more beneficial for people who run a business in partnership. The third month of this quarter will be beneficial for you. However, you will also experience some problems.

### **July 2014 to September 2014**

From career point of view, this quarter will be auspicious for the people of Aries sign. In the beginning of this quarter, you will be able to overcome all the obstacles that you have been experiencing for a while. You will not be disappointed anymore. You will be able to achieve success through your hard work. During this period, you may come across some obstacles created by your competitors. You may be affected by these obstacles in one way or the other. However, you will focus on your work and keep making efforts to progress in life. This will help you overcome.

In the second month of this quarter, you may go on a journey abroad. Such journeys will prove to be beneficial. For people related to business, this quarter requires a lot of hard work. Your hard work could provide many fruitful results. If you are thinking about establishing a business in a partnership, you need to consider all aspects. Your life partner may also provide some help during this period. This will help you progress in life. If your business is related to property, you may receive some benefits during this period. You may also receive some benefits from the Government. In fact, the Government may prove to be of great help for your business.

### **October 2014 to December 2014**

## 2014 Vedic Horoscope

For people in jobs, the beginning of this quarter may cause some problems. During this period, Sun and Rahu with a debilitated Venus can cause some problems regarding your work. Your colleagues will not be very supportive. They can even cause some problems for you. You will be physically and mentally strong. However, you will be discontent and disappointed with your accomplishments. You will seek high-profit but risky opportunities during this period.

In this quarter, you may be a bit more aggressive than usual. If you are dedicated, you can cross any limits to reach your goals. You will be straightforward. However, you should make sure that you don't cause problems for yourself. You may also plan some fresh strategies. You might be tempted to associate with bad company. You should choose your friends carefully, otherwise, people may try to take advantage of you and stop you from reaching your goals.

This period is not very auspicious for businessmen, especially for those whose are in partnerships. You may be disappointed at work. You will be worried all the time. You will struggle in your work during this period. Even after a lot of efforts, you will not receive expected results. However, you should not get disappointed during this period. You should also avoid all kinds of risks.

## 2014 Aries - Health and Fitness

### January 2014 to March 2014

For people of Aries sign, this quarter may bring some health related problems. During this period, your health may be affected in many ways. This is because your birth sign's Lord, Mars, is entering sixth house. With respect to your health and fitness, there is some uncertainty. It is possible that your ailment may not be diagnosed properly and you may have to consult a different doctor. In the month of February, Mars will enter Libra sign. Due to this, Mars will form a relation with Rahu and Saturn. This situation will make you more aggressive in life.

During this period, you may suffer from high blood pressure. Hence, you should control your anger. During this period, Angarak Yoga is formed. Therefore, you should take complete care of your health. You may suffer from stomach related problems or ulcers. Retrograde state and transit of malefic planets will cause mental as well as physical problems. During the month of March, your health may be affected because of retrograde Mars. You should also be careful while driving during this period. You may be injured because of an accident.

### April 2014 to June 2014

From health point of view, this period may not be auspicious for you. During this period, your health may be affected. You may suffer from earaches. Hence, you should be careful while taking baths. You should make sure water does not enter your ears. Your health problems will also disrupt your peace. They may cause stress and tensions. You should not worry a lot and make sure you don't waste your time thinking about worrisome matters. The third month of this quarter will make you confident. Your stress will also be relieved. You should not be careless during this period. You should not get too excited. Otherwise, you may suffer from heart problems.

You should consult a doctor regularly. You may suffer from skin problems. Therefore, you need to be careful. You should take care of your diet. During this period, you may also suffer from eye problems. If you are suffering from diabetes, you need to be even more careful. For good health, you should exercise regularly.

### July 2014 to September 2014

## 2014 Vedic Horoscope

From health point of view, you may receive mixed results during this period. Due to your hectic schedule, you may feel tired. Due to this, you may feel restless and disappointed. Your mind may not be at peace. Hence, you should not ignore your health because of your work. Rahu and Mars' position can make you aggressive in the beginning of this quarter. Hence, you should try to control your anger. You should try to be calm and composed. People may avoid you because of your aggression.

In the third month of this quarter, you will be relieved of any tensions related to your health. You will feel active during this period. You will be relieved of any stomach related problems. You should indulge in good eating habits. You should follow a proper routine.

### October 2014 to December 2014

From health point of view, you need to be very careful during this quarter. You should avoid all kinds of bad habits. You should avoid alcohol, drugs and other such illicit substances. This is because you may become habitual to such substances if you start using them in the beginning of this quarter. Such substances may have a very bad effect on your health. You may be stressed or tensed because of this.

In the second month of the quarter, your health will see some significant improvement. You will feel better during this period. In the third month of the quarter, you will have to take care of your father's health. This is because your father's health may be affected in some way. Your mother's health will be fine. Your life partner will be supportive and help you relieve some stress.

## 2014 Aries - Love & Relationships

### January 2014 to March 2014

This quarter will give mixed results with regard to love and relationships. During this period, the relationship between fifth house, seventh house and ninth house is prominent. Due to this, you may be involved in an affair. If you're already having an affair, you may get married during this period. Your relationships will be fortunate for you this quarter. If there have been talks about your marriage, everything may be decided in the second month of the quarter. Your affair may lead to marriage during this period.

In the last month of this quarter, your relatives and friends may try to interfere in your relationship and cause some problems. Due to this, there may be some differences of opinion between you and your partner. During this period, you should not rush into any decisions. Although you may see some improvement in your relationship, there may be some problems in the last week of the quarter. Rather than worrying about it, you should give some to yourself and your partner.

### April 2014 to June 2014

In the first month of this quarter, you need to be careful related to matters of love. During this period, you should not engage in any unethical relationships. Otherwise, you may be disgraced. In this quarter, you may have the desire to get involved in more than one relationship. However, this may cause some problems. Your relationship may be affected. Your partner may also try to dominate you. You may be forced to agree with your lover. After the second month of this quarter, you may get serious about your relationship. You may want to marry your lover. The third month of the quarter is auspicious for building new relationships.

### July 2014 to September 2014

For matters related to love, this quarter may give some satisfactory results. In this quarter, you may have to make a lot of efforts to strengthen your relationship. You may meet your soulmate on a journey. Therefore, you will not have to waste your time looking for the perfect person. Your relationship will develop on its own. In the third month of the quarter, there may be some ups and downs in your relationship. You should not get aggressive with your partner. Otherwise, there may be some problems in your relationship. In the third month of this quarter, you may keep

## **2014 Vedic Horoscope**

making constant efforts to strengthen your relationship. You may even gift something to your partner. Your relationship will be rejuvenated and you will get more involved.

### **October 2014 to December 2014**

For matters related to love, this quarter may give some mixed results. In this quarter, your partner will not be completely supportive. You may be saddened by this aspect of your life. Your relationship may even come to an end. A debilitated Venus may affect your love life. In the second month of the quarter, you may experience some relief from your regrets and lack of affection from your partner. Your enemies may try to create some problems between you and your partner. Hence, you should not take any decisions based on someone's influence.

You will receive love and support from your partner. Your partner will try to support you through difficult times. He or she will be with you and accept you with all your good and bad qualities. He or she will make constant efforts to make you happy. In simple words, your partner will be loving.

## 2014 Aries - Students

### January 2014 to March 2014

For students, this quarter may give average results. With help from education, you will be able to accomplish many tasks. In the first month of this quarter, you will get excellent results related to academics. You will be able to concentrate on your studies. If you are participating in a competition, you may receive positive results. In the second month of the quarter, you may find it difficult to concentrate on your studies. Due to this, there may be some problems in your studies. Mars and Saturn's aspects may cause some problems in your education.

You may waste a lot of time with your friends. Due to an infatuation or relationship, you may be distracted from your studies. It will be better if you try to act sensibly and focus on your studies. In the third month of the quarter, you may plan to go abroad for your studies. You may even be successful. You may be interested in technical courses.

### April 2014 to June 2014
