

PISCES

Based on Vedic Astrology(Moon sign)

Will there be happiness in your family?

Characteristics of Pisces Sign

Pisces is the last sign of the zodiac. It occupies 330° to 360° in the zodiac. This is a dual-natured sign and its element is water. The symbol for Pisces sign is two fishes which with each having its tail places near the mouth of the other. Jupiter is the lord of this sign.

As it's a dual sign, it will create an instability in your nature. Your mind may be in a perennial state of uncertainty. As your element is water, you will change very rapidly. That's also the reason why you tend to believe people quickly and take actions without really thinking about the results. As your sign-lord is Jupiter you will be serious and intelligent, but if there are inauspicious influences in your horoscope then these qualities will be subdued.

The best thing about the people of watery signs is that they are very adaptable and can adjust to any situation quickly. It's not vital that you will achieve success only in a leadership role. You can keep improving your qualities and become better at what you do by making efforts no matter what role you are given. You are a very romantic person and will treat your partner with great affection. You only let cultured and decent people become your friends, and will establish friendships only when needed. You are good in expressing your feelings and will let others know what you like and you don't like by your behavior and attitude.

2014 Vedic Horoscope

If your rashi-lord Jupiter is in a good state then you will have some special cognitive powers. You may be able to quickly grasp the situation, or may sense what's about to happen in a given situation. You will be intelligent, knowledgeable and will love music. You are a romantic person, yet you will be introverted and will prefer to be alone.

Along with these qualities you will also have some bad attributes. If you can minimize them, it will make you a better person. You tend to be lazy, and you will sleep a lot. You may be a bit paranoid about things and may be a bit over-confident. You cannot tolerate any form of injustice or limits. The fact is, you value your freedom too much and don't like even symbolic trespasses. You lose your spirit very quickly when in a bad situation and may try to escape the situation instead of fighting it.

Appropriate Career for Pisces Sign

Pisces is considered the sign of Jupiter. Jupiter is the significator for intelligence, knowledge and judgement capabilities. It's considered the minister among all planets and is the celestial counsellor. It's also considered the Guru or the teacher of all the gods. That's why all professions which involve consultation and knowledge are in Jupiter's domain. You can be a fantastic consultant or a teacher. You may also be good at writing or editing. You can also be a great spiritual leader or teacher. Successful doctors are also often found from this sign.

2014 Pisces - Finance and Wealth

January 2014 to March 2014

The first quarter of the year will give you mixed results. In the first part you may receive some financial help or a gift from your in-laws. You may also receive financial bounty due to your spouse, and he or she may be the reason for your change of fortune. The first part of the quarter is slightly more suitable, but do take care in the second and the third part of the quarter. During this period your luck may not be at your side all the time. There are prospects of being cheated or duped, so don't give your money to anybody without a surety. You must avoid bribing to get your work done as it might backfire and you might just end up losing that money. Treat money like a valuable resource and spend wisely.

April 2014 to June 2014

You may begin the second quarter of the year at a bad note financially. If your money is already stuck in the share market or in speculation then there are chances that you may lose it. Don't become a victim of temptation and get involved in dubious get rich quick schemes. You should rely on your intelligence and skills alone to earn money or could have to suffer a lot of mental stress. You might want to avoid investing in land or immovable property during this period by taking a loan or you may run into problems repaying that loan. There's a chance that your life-partner may also cause a financial loss during this time.

In the second part of the quarter you may receive money from a secret source. Someone might help you financially without revealing their identity. This will bring you much needed comfort. Beware of the people who try to adopt illegal or shady methods to earn money. Do not try to get into any shady dealings or you might get a blot against your name.

July 2014 to September 2014

This quarter will begin on a positive note and your financial troubles will start easing. The money that was stuck with people will slowly start flowing back in and your financial condition will ease back to normalcy. You may also discover fresh sources of earning, but they might require a lot of extra work from you. You will not shy away from working day and night to increase your income.

2014 Vedic Horoscope

If you are connected to any religious organisations then there are chances of financial benefits from these organisations. There may be some money in speculation, but don't dive blindly into it. The last part of the quarter will be beneficial for your children. This quarter is going to be sensitive for the people who earn from foreign countries because they may be able to create new sources of earnings but may have to invest or lose some other sources. Take intelligent and well thought financial decisions during this time.

October 2014 to December 2014

The last quarter of the year will be in your favor financially. It's not that you will have to spend in this period, your expenditure may increase in fact, but you will have the capability to make that expenditure without hurting yourself. No work will be stopped or need will stay unfulfilled due to the want of money during this period. You may earn from many sources. Your father may be a source of funds for you.

During this period the objects below the ground will be beneficial for you. As far as investment is concerned, don't invest in schemes that take a lot of time to mature. Invest in short-term schemes. There's also a chance of benefiting from a slight or mistake by your competitors. Enemies or your enemies may act as your friend and help you. Your younger siblings could also be a source of earnings or funds. You will also be able to earn from your own efforts and will be able to make investments if you so desire.

2014 Pisces - Career & Profession

January 2014 to March 2014

The first part of the quarter cannot be considered suitable for your career. The lord of the 8th house is in the 10th house and will create impediments in your career. The 6th lord is also in the 10th house which suggests you will have tough competition at the work place. You should be very careful at your workplace right now. Don't get into any confrontations or negative situations and don't accuse or blame people for anything. You should stay focused on your own work or the results might be bad for you. The last part of the quarter is slightly better for you. Be careful when you address your superiors. It's best to work in harmony with your colleagues to finish your work in schedule and to the specifications.

For business the quarter will begin well, but the second and the third part of the quarter will have relatively mixed results. You can invest in your business right now, and you may borrow or take the funds from someone else to make this investment. There may be a fall in your sales or revenue during this period. A partnership may not be a good idea during the second or the third part of the quarter.

April 2014 to June 2014

You mind may be a bit confused during this period. You may also be unusually irritable and may speak impolitely. Try to keep a control on yourself and be nice to people. Don't blame yourself too much for your negative behavior though, because all through this quarter you may have to face disagreeable situations at your workplace which will give you mixed results. You may have to try several times to get one task completed. This may make your mind troubled and you may feel restless. Your colleagues may act selfishly and retract from their promises which will hurt you. The people who don't like you may use this situation against you during this quarter. Be on the guard.

If you are in business then take the counsel of some experienced or able person to make important decisions. If there's something which seems out of grasp right now, then don't go chasing after it. Keep it aside for a more suitable time. Partners may

2014 Vedic Horoscope

have some disagreements during this period and you may feel ill-treated. Take well thought decisions right now.

July 2014 to September 2014

Good news for you! There is a chance of getting promoted during this quarter. This promotion may come to you unexpected, or you might feel a strong urge to change your job and may apply for a better position elsewhere. Whether you get a fresh job or not, you may suddenly have a desire to leave your job in the second part of the quarter which will not be in your interest at all. You should stick to your current job till you find a new one. Don't take a path that will lead you to problems.

People involved in the property business will have mixed results during this quarter. If you involve yourself in a deal connected to a disputed property you might have problems disposing it off later. Better avoid a situation in which you end up getting the same amount, or worse, lower than what you paid. Don't fall prey to sweet talk.

If you're in another trade then the business might be a bit slow during this quarter and you may feel a bit stressed.

October 2014 to December 2014

You will perform spectacularly during the last quarter of the year. There may be praise and eulogies for you after a long time. You can grab this opportunity to finish all pending work. There may also be fresh opportunities which you should grab right now. If you are in a government related job then you will be praised for your good work and may even receive some sort of recognition or award from the government.

For those in politics, the opposition may try to drag your name in a dirty affair. Make sure you get along with senior bureaucrats and office holders during the last part of the quarter. Don't put yourself in an argument or opposition against them.

For businessmen too this is going to be a challenging quarter. Protect yourself from any dealings with the female gender. You may end up making a loss making deal. Make sure that all deals you are getting into are sound so that you won't be cheated later. Be patient during the unfavorable period and wait for it to get over. The last part of the quarter will be beneficial for you.

2014 Pisces - Health and Fitness

January 2014 to March 2014

There may be health issues during the first quarter. The problem may be in the reproductive system. Take great care of hygiene and protect yourself from illnesses that may baffle even the doctors. Delayed diagnosis will be harmful to you. Take care of yourself and make an effort to stay healthy. The health issues may be more pronounced during the second and the third part of the quarter. Take good care of your diet during this period. Use less spices and food that generates heat in your body.

April 2014 to June 2014

If you are suffering from any heart related ailment then get a checkup performed right at the beginning of this quarter. Even if you are not a heart patient, do take good care of your health. You must avoid anger and too much excitement. Even an excess of enthusiasm may be harmful for you. Try to have a subdued reaction to all situations. There are chances of developing acne or skin breakouts during this period. Some eye related problem might also occur.

July 2014 to September 2014

If you are fighting health issues from earlier on, then there will be improvement in your health during this period. There may be some stress on your mind however, due to family and home related issues. Your spouse may be a cause of this stress. You can use meditation and relaxation techniques to reduce this stress. Take special precautions about the food you eat in the second part of the quarter or you may be overwhelmed by tummy related problems. Newlyweds might have problems establishing physical relationships and should consult a doctor in this situation.

October 2014 to December 2014

Pregnant women should take special care of themselves during the first part of the quarter. Don't lift heavy weights and avoid mental stress. Make sure your diet is rich and balanced. If a woman is suffering from gynecological problems, they might increase during this period. Make sure you consult a doctor on time. There are chances of contracting a urine infection in people who are susceptible to it.

2014 Pisces - Love & Relationships

January 2014 to March 2014

This is not a good quarter for relationships. If you are already in a relationship then take special care as there are chances of strains developing in. It may begin with a small complaint, but may balloon into something unmanageable. Be patient during the first and the second month in the quarter and things will ease up by the third month. Pay attention to your partner and try develop an understanding for what they are feeling. Give your partner enough time and listen to what he or she tells you avoid unpleasantness.

April 2014 to June 2014

Relationships freshly formed during this period may cause you grief. That's why avoid the first part of the quarter. If the second part of the quarter seems suitable you may express your feelings during it. The third part is the most suitable part as far as relationships are concerned and you may be able to spot the right partner for you. This may be a very romantic period for both of you. Your partner may be lucky for you and you might take a trip somewhere. You will be able to fix any disagreement that creeps up.

July 2014 to September 2014

This quarter will be very good for relationships, but don't try to cross the boundaries during this period or you may have to suffer later. If you are married then there are chances of feeling an attraction towards a third person. Do not get into relationships will linger on and ruin your life even when the intoxication is long gone. If you have any sort of extra-marital affairs it will create a lot of problems in your home, so take all actions after a careful thought for the future.

October 2014 to December 2014

There may be ups and downs in your relationship during this quarter. Your family may put in some stumbling blocks. Listen to your family and understand their expectations. This will help you understand what's correct and what's not. Your relationship may cause the atmosphere at home to become uncomfortable and your own mood may be spoiled. If you inform your family about your relationship early on then you may not have to face a lot of opposition. You may feel yourself stuck

2014 Vedic Horoscope

between your partner and your family, and your behavior will be affected which might make your partner upset. You might have to make many efforts to pacify your upset partner during the end of the quarter.

2014 Pisces - Students

January 2014 to March 2014

The first and the second part of the quarter are going to be normal for you with regards to study. You may feel a little worried about your studies in the third quarter because you might not have been able to prepare to your satisfactory levels due to some reasons which may cause you to miss the mark in the examination. Don't get too worried. Refocus on your studies and work harder. One of the reasons for an interruption in your schedule could be the lack of good health. You may feel upset due to these happenings.

April 2014 to June 2014

Your mind may be a bit confused during this period and you may feel detached from your studies. You may not be able to focus your mind even after a lot of effort which will make you angry at yourself and may spill into angry behavior at your fellow students. Don't get into any arguments with your classmates and keep a strict control on your tongue. Behave courteously with your teachers and try to follow their instructions.

July 2014 to September 2014

Your mind will begin to focus back on studies from the beginning of this quarter and you may become an ideal student. You will perform well in other activities like sports, debates, etc. This is a lucky period for you and if you are seeking admission at a better institution you may be able to secure it.

October 2014 to December 2014

The last quarter of the year will be in your favor. You will achieve what you desire. If you have a campus interview going on right now you will get the job you are looking for. Students having their oral or written exams right now will be successful. If you work just a bit harder you will reap rich fruits. This is a good quarter for you, so make the most of it.

2014 Pisces - Travel

January 2014 to March 2014

The beginning of the first quarter of the year is not suitable for journeys. The journeys you take right now may be unfruitful and you may end up wasting your time and money. Make sure you are well prepared before you take a journey during this period and are aware of the possible losses. If you have bad health then avoid making journeys to protect your health from becoming worse.

April 2014 to June 2014

You may go on a short foreign trip during the second quarter of the year. If you have been planning a foreign holiday then you may be able to take one right now. You may also be able to visit a spot of natural beauty which is far away from your home. This will fill you and your companions with fresh energy and enthusiasm. Wherever you go, take special care of your belongings and stay at a secure place only.

July 2014 to September 2014

There are chances of cheating in a long distance journey for the purpose of business. This could cause immense stress to you. If you are in a partnership then a journey may not be very suitable for you. Don't take risks in your journey and don't take precious or expensive objects along with you. Keep your documents secure.

October 2014 to December 2014

Journeys made with your life partner or family during the first or the second part of the quarter may yield negative results. You may get involved in an argument during the journey which will ruin everyone's mood. There may be an atmosphere of cold-war in your family all through the journey. The arguments may be pronounced among father-son or with the elders. The second part of the quarter is suitable for journeys of all sorts. Religious journeys can be started during this period and will prove fruitful to you.

2014 Pisces - Family

January 2014 to March 2014

Make sure you are loving and affectionate towards your mother in this quarter. Make her health and well being your responsibility and pay attention to her. If you desire to take a home-loan to buy a flat or a property it might be sanctioned during this quarter and you may be able to make a home. This quarter can't be called good for your marital life. There may be an unusual amount of disagreements and trouble in your marriage. Your partner may be excessively obstinate and might not listen to anybody.

You too will be bitter and will react fiercely on everything. Increased expenditure may be a cause of woe. During this period visible and invisible enemies may dominate you and may create frequent problems for you.

April 2014 to June 2014

You and your life partner might not get along very well in the beginning of this quarter. The two of you might adopt an uncooperative attitude towards each other which will cause great dissatisfaction. For those who are not yet married, but the marriages are fixed, there's not very good news because there's a chance of breaking up. This may create a bad vibe in your home. One of the family members may be hiding something from the others which may make you very unhappy when you discover it.

In case there's no improvement in your marital situation then your father might intervene to help you live happily with your life partner. The last part of the quarter is not suitable for building a home and you may face many problems during this time.

July 2014 to September 2014

You might feel worried about your children's health during the beginning of this quarter. If your children are grown up then you might be separated from them. Your partner may be very suspicious during this period and may seem extraordinarily afraid or worried. He or she may do some odd or weird actions

2014 Vedic Horoscope

which will put you in stress. If you are marriage is expected to be fixed in this time period then try to delay it a bit. It's best for you not to finalize the marriage right now.

If you are trying for a child then this is a good quarter for you. Women might be able to get pregnant, but will need to take special care of their health for the next two months.

October 2014 to December 2014

The end quarter of the year might be the worse part of the year for your married life. You must make an effort to bring peace to your partner because he or she may not be in a position to understand what they are going through and why they are doing what they are doing. So it is best for you to be a pillar of support for your life partner. The first and the second part of the quarter may be bad, but things are expected to brighten up by the end of the year. Your partner's health may be affected too during the quarter, though there will be relief by the end.

There are fair chances of receiving support and help from your father and friends. You may also get land during this time. If you are planning to make an investment then you may do so during the last of the quarter. There are chances of your life-partner getting a promotion in their workplace. Behave fairly with your domestic help as it might create problems for you if they leave the job suddenly.

Pisces Predictions 2014 - Remedies

You should do the path for Sankatmochan in the first three quarters of the year in the evenings. Apart from this, you can do the path of Narayan Kawach the entire year everyday either in the mornings or the evenings. Apart from this you should feed a Roti made of freshly kneaded dough and a little sugar to a cow. To reduce the effects of Saturns Dhaiyya, please chant 'Om Shane Shanashcharaye Namah" 108 times every Saturday.
