The year will bring in success in all endeavours.

## Results for placement of planets in Varsha Kundli

### Sun

This is a highly favourable position and your fortune smiles on you. Your father will be in good health and earn more wealth. If you are pursuing your studies, you will have brilliant results; you may even receive a scholarship to pursue your higher studies abroad. If you are engaged in research, you will come across newer findings for which you may receive acclaim. If you are in service, you will have a lucrative promotion and will be raised to a prestigious status. If you are in business, you will have gains from various sources, more particularly from the government whose high authorities will readily grant you special favours. You will have major gains from people residing in distant inland places or foreign countries; if you are engaged in foreign trade, you can earn a fortune. If you have children, they will have all-round prosperity.

### Mercury

Although Mercury in dignity can give career betterment, weak or afflicted Mercury does the very opposite. The period may not be at all beneficial for you. You may suffer from minor ailments like skin problems, feel nervous or dejected and steep increase in compulsive or of wasteful expenditures might cause you great anxiety. (However, if Mercury is associated with or aspected by natural benefic Jupiter, the condition will be considerably improved). If you are much younger and engaged in academic pursuit, then the adverse results will have little or no scope to affect you. You will have good progress in your studies and lead a normal life.

### Venus

This is a highly favorable position and you will be very fortunate. You will be successful in all your endeavors and will be raised to a higher status. You will be popular and will become a distinguished person in your own field. You will have excellent earnings and will amass wealth. Some of your ambitions will be realized and some of your cherished desires will be fulfilled. You will have newer acquisitions and purchasing a vehicle is very likely. (However, if Venus is involved in some unfavorable yoga like Manahoo or Khalwasara, there will be sudden fall of status around the middle of the year.)

### Mars

The position is beneficial if you are engaged in academic or intellectual pursuits; otherwise it is not at all advantageous. You should avoid speculative tendencies as incurring losses are

very likely. If your profession has some connection with entertainment fields or share-market, temporarily you may have a tough time ahead. You may be troubled by unexpected developments and unforeseen causes like sudden changes in rules and regulations. You are likely to remain in a state of tension, suffer from an excess of acidity in stomach and will be on the verge of losing your discrimination. Although in case of disputes you will have success over your enemies by dint of your firmness of determination and strength of will. Your children may not be in good health or they might become unhappy for some other reasons. You are to remain cautious and drive slow since you might be prone to receive minor accidental injuries.

### **Jupiter**

This is a favourable position and Jupiter will bestow on you only beneficial effects in many respects. Your relationships with your younger sibling, cousins and neighbours will become more cordial and you will become more popular in the circle of your friends and acquaintances. You will have some short journeys which will be very fruitful. Your merit and talent will be recognised by your superiors and authorities which will give you advancement in your professional sphere. You will acquire more knowledge and information in the subjects of your interest and use them very effectively. You will amass wealth and rise to eminence. Your name and fame will be spread far and wide.

### **Saturn**

This is not a favorable position unless Saturn is exalted or in own house. You will have to cross over a real bad patch unless some other modifying influences are not present in your Varshaphala chart. Unexpected failure in academic pursuits or losing an almost sure chance to secure a lucrative job or abrupt termination of a love-affair may give you a shocking experience. The health and well-being of your children might cause you serious concern and you may have a setback in profession by becoming a victim of wrath of the punitive authorities. Your spouse might be relentlessly blaming and criticizing you. You may find yourself amidst insurmountable obstacles and may tend to lose your discrimination. You may suffer from mental aberrations and uneasiness. You should avoid speculative investments altogether if you don't want to lose your all.

### **Moon**

This is not a very favorable position, although not very unfavorable either. You will become very curious and inquisitive and your mind will remain occupied with thoughts. You will become changeful and inconstant. You will have many correspondences and short journeys. You may have to stay away from home for long durations. Your mother may not be in good health but you may have to stay away from your mother. You may have some differences with your mother also. Your relationship with younger sibling(s), cousins, neighbours and acquaintances will considerably improve and your popularity will increase. You should take care in respect of your food-intake and food-habit; otherwise these could tell upon your health and physique.

### **Rahu**

This is an unfavorable position and you must remain very careful and cautious. You may suffer from diseases affecting your head, stomach or ears. Your residence could be changed, you may have an undesirable transfer or may have to leave your job under compulsion. Your trusted employees/ subordinates may leave and you may have misunderstandings with your relatives.

**Ketu**

You will be fortunate and all your affairs will be smooth-sailing. You will receive public honors and will be treated with great respect in your own community. You may inaugurate a new institution and your home-life will be full of happiness.
