

ARIES

Based on Vedic Astrology(Moon sign)

**How is the year 2014 for your
married life?**

Characteristics of Aries Sign

Aries is the first sign in the zodiac. In the zodiac, this sign expands from 0 to 30 degrees. Aries sign rules four stages of Ashwini Nakshatra, four stages of Bharani Nakshatra and first stage of Kritika Nakshatra. The symbol for Aries sign is a Ram. Due to the effects of this sign, there may be certain qualities related to a Ram in you. You will be completely dedicated towards your work. You will make all kinds of efforts to reach your goals and achieve success. In other words, you give your 100% to reach your goals. You are not very stable in life. You may have frequent changes. You don't like to stay or reside in one place for a long time.

In fact, you also make certain efforts to change your line of work as you are always ready for sudden changes in your life. At times, you may take some sudden decisions affecting your life. Sometimes you do things without thinking about the consequences. In other words, you may have the tendency to rush into certain decisions or situations.

Aries is a moveable sign. Due to this, you are always in a hurry. You are always ready to learn more and gather information about every subject. You do not worry about problems much. You want to become a leader in life. You participate in all kinds of activities and want to excel in every field or work. You have a keen interest in sports. You are also fond of new clothes. You like challenges in life and are not afraid of physical labor. Other characteristics in your personality include courage, determination, willpower, excitement and confidence.

At work, you consider every project to be associated with teamwork. You support your colleague and make efforts to achieve success in every project. However, lack of stability is one of your biggest flaws. Moreover, you are always in a hurry and rush into decisions. If you make up your mind about something, you never take a step back. You don't rest until you have achieved success. You don't care about the consequences of your actions. You have a lot of skills and

2014 Vedic Horoscope

talents. However, you are unable to utilize them in time. You may not be well-mannered. Sometimes, your thoughts may be foolish or arrogant.

Appropriate Career for Aries Sign

The ruling planet of Aries sign is Mars. This is a fiery sign and since it is influenced by Mars, it becomes an aggressive sign. Due to the effects of this sign, your profession may also be affected. You have the tendency to display your physical strength in life. Hence, you may be associated with army, police, security force, sportsperson, surgeon or a businessman dealing in metals.

You may work in an administrative office, forest office, medical sector, Indian Administrative Services or politics. Other works related to Aries sign include athletics, naval officer, correspondent, preacher, politician, finance consultant, doctor, restaurant owner, hotel owner, farmer or electrical sector.

2014 Aries - Finance and Wealth

January 2014 to March 2014

The beginning of this quarter will give auspicious results to people of Aries sign. You will make a lot of efforts to achieve success. During this period, you may receive some monetary benefits from your close ones. You can also receive some monetary benefits from your father or children. This period will be beneficial for your work. In fact, you may also receive some sudden monetary benefits. If your profession is related to a foreign country, you may receive some monetary benefits from abroad. However, you may be a bit lazy and slow down your efforts by the end of this quarter. Your competitors may also take some steps to cause problems. Hence, you need to be careful during this period.

In the second month of this quarter, you will be able to control your financial position with your skills and hard work. However, you may be troubled by some unwanted and unnecessary expenses during this period. You may even apply for a loan in a financial institution. You may have to help someone who needs monetary help. You might buy certain things for yourself. Your expenses will be reduced in the third month of this quarter. Your financial position will improve during this period. You may even go on some journeys in this month. However, this may increase your expenses. But you will be able to develop certain plans to save some money.

April 2014 to June 2014

From financial point of view, this quarter will give mixed results to the people of Aries sign. In the beginning of this quarter, you may experience an increase in your income as well as expenses. You will get some good opportunities to earn money. This will allow you to reach your goals. You may receive some monetary benefits from your family during this period. You can also receive some other kind of help. Your life partner's support will be helpful for your financial position.

The second month of this quarter may increase your expenses. You may spend some money on your home's renovation and remodeling. Besides this, your life partner may also buy some expensive items for himself or herself. He or she may buy some beauty products too. This will increase your expenses. During this period, you may also receive some good benefits from your parents. You may receive some financial help from your father. You can even ask for your mentor's help. Matters related to land and property will be beneficial during this period.

July 2014 to September 2014

From financial point of view, this quarter will give auspicious results to the people of Aries sign. During this period, you will get some good opportunities to earn money. You can also receive

2014 Vedic Horoscope

some benefits from matters related to land or property. You can also receive some good benefits from the Government. Your father will be quite supportive during this period. In this quarter, you will be able to achieve a lot of success through your hardwork. Official tours will give auspicious results. They will help you increase your profits.

In the second month of the quarter, you will help your siblings and may spend some money on them. Your enemies will try to dominate you during this period. They will make plans to cause trouble. At times, you may feel disappointed. However, you will be fortunate and therefore, you will be able to overcome these obstacles to progress in life. Eventually, you will reach your goals. Your siblings may also prove to be beneficial for you. They may provide help in one form or another. If you are related to a foreign country in any way, you will also receive benefits from that country.

October 2014 to December 2014

For people of Aries sign, this beginning of this quarter may not be very auspicious. You may experience some problems related to financial matters. You may waste some of your money in unethical activities and wrong-doings. During this period, your expenses will rise. Hence, you should be very careful about your budget. You may incur some losses because of your competitors. You may also lose some of your money in gambling and other such activities. If you want to invest your money in some venture, you need to be very careful. You should not get attracted to anything during this period. You should not think about increasing your profits in a short span of time. Such thoughts can encourage you to invest in unethical or illegal activities.

In the second month of this quarter, you can receive some help and support from your life partner. However, you may not receive this help for long. Due to planetary position, you may lose your money in unethical or illegal activities. Most of your money will be spent on unethical activities. You may be involved in gambling, drugs and other such illicit activities and substances. You will also waste a lot of your time on such things. However, your life partner may be supportive during this period.

2014 Aries - Career & Profession

January 2014 to March 2014

From career point of view, this quarter will be auspicious for the people of Aries sign. During this period, you will make a lot of efforts to reach your goals. You may be appreciated by your superiors. You will surpass your colleagues to receive recognition and appreciation for your work. Your friends will also help you during this period. This will be reflected in your work. You may try some innovative techniques and approaches regarding your work. You will be fortunate in this quarter. In the second month of this quarter, you may be promoted in your job. However, it is possible that you will not be satisfied with this change in your life. If you are looking for a new job, you should apply or join before march. This is because you may not be very stable in your profession after this period.

For businessmen, this quarter may be a bit inauspicious. You need to focus on your work during this period. You may slow down your efforts and feel a bit lazy in this quarter. In the beginning of this quarter, you may use some strategies to succeed at work. If you run a business in partnership, you need to be careful in the second month of this quarter. This is because you may incur some losses during this period. Someone may also accuse you of wrong-doings.

If your business is related to a foreign country, you may receive some benefits. This period will be auspicious for people related to politics. You may get some good opportunities during this period. You may also achieve an authoritative position. If you think everything thoroughly, you may get some good opportunities. At work, your life partner may also try to help and be supportive. With his or her help, you will be able to succeed in life.

April 2014 to June 2014

From career point of view, this quarter will be average for the people of Aries sign. During this period, you may develop some new plans related to your profession. In fact, you may also experience some problems because of your straightforward nature. During this period, you need to think thoroughly before taking any decisions. If you rush into decisions, you may have to face some consequences. You need to avoid any confrontations at work. You also need to make efforts to resolve any kind of disagreements.

In the second month of the quarter, you may want to change your profession. You need to weigh all pros and cons related to such a major decision. If you rush into any decisions, you may

2014 Vedic Horoscope

experience some problems later. Your superiors will be dissatisfied with your work during this period. They will not appreciate or praise your work. This is because you may have to work over something again and again. In such a situation, there are chances of failure as well as success.

During this period, you will like to keep your plans and strategies secret. You may get some good opportunities to earn some money. An exalted Jupiter is aspecting your house of business. Thus, there are indications that you may receive good benefits. You will be able to defeat your enemies. This period will be auspicious for businessmen. You may think about expanding your business to a foreign country. This quarter is good for import and export business. This period will be even more beneficial for people who run a business in partnership. The third month of this quarter will be beneficial for you. However, you will also experience some problems.

July 2014 to September 2014

From career point of view, this quarter will be auspicious for the people of Aries sign. In the beginning of this quarter, you will be able to overcome all the obstacles that you have been experiencing for a while. You will not be disappointed anymore. You will be able to achieve success through your hard work. During this period, you may come across some obstacles created by your competitors. You may be affected by these obstacles in one way or the other. However, you will focus on your work and keep making efforts to progress in life. This will help you overcome.

In the second month of this quarter, you may go on a journey abroad. Such journeys will prove to be beneficial. For people related to business, this quarter requires a lot of hard work. Your hard work could provide many fruitful results. If you are thinking about establishing a business in a partnership, you need to consider all aspects. Your life partner may also provide some help during this period. This will help you progress in life. If your business is related to property, you may receive some benefits during this period. You may also receive some benefits from the Government. In fact, the Government may prove to be of great help for your business.

October 2014 to December 2014

For people in jobs, the beginning of this quarter may cause some problems. During this period, Sun and Rahu with a debilitated Venus can cause some problems regarding your work. Your colleagues will not be very supportive. They can even cause some problems for you. You will be physically and mentally strong. However, you will be discontent and disappointed with your accomplishments. You will seek high-profit but risky opportunities during this period.

In this quarter, you may be a bit more aggressive than usual. If you are dedicated, you can cross any limits to reach your goals. You will be straightforward. However, you should make sure that you don't cause problems for yourself. You may also plan some fresh strategies. You might be

2014 Vedic Horoscope

tempted to associate with bad company. You should choose your friends carefully, otherwise, people may try to take advantage of you and stop you from reaching your goals.

This period is not very auspicious for businessmen, especially for those whose are in partnerships. You may be disappointed at work. You will be worried all the time. You will struggle in your work during this period. Even after a lot of efforts, you will not receive expected results. However, you should not get disappointed during this period. You should also avoid all kinds of risks.

2014 Aries - Health and Fitness

January 2014 to March 2014

For people of Aries sign, this quarter may bring some health related problems. During this period, your health may be affected in many ways. This is because your birth sign's Lord, Mars, is entering sixth house. With respect to your health and fitness, there is some uncertainty. It is possible that your ailment may not be diagnosed properly and you may have to consult a different doctor. In the month of February, Mars will enter Libra sign. Due to this, Mars will form a relation with Rahu and Saturn. This situation will make you more aggressive in life.

During this period, you may suffer from high blood pressure. Hence, you should control your anger. During this period, Angarak Yoga is formed. Therefore, you should take complete care of your health. You may suffer from stomach related problems or ulcers. Retrograde state and transit of malefic planets will cause mental as well as physical problems. During the month of March, your health may be affected because of retrograde Mars. You should also be careful while driving during this period. You may be injured because of an accident.

April 2014 to June 2014

From health point of view, this period may not be auspicious for you. During this period, your health may be affected. You may suffer from earaches. Hence, you should be careful while taking baths. You should make sure water does not enter your ears. Your health problems will also disrupt your peace. They may cause stress and tensions. You should not worry a lot and make sure you don't waste your time thinking about worrisome matters. The third month of this quarter will make you confident. Your stress will also be relieved. You should not be careless during this period. You should not get too excited. Otherwise, you may suffer from heart problems.

You should consult a doctor regularly. You may suffer from skin problems. Therefore, you need to be careful. You should take care of your diet. During this period, you may also suffer from eye problems. If you are suffering from diabetes, you need to be even more careful. For good health, you should exercise regularly.

July 2014 to September 2014

From health point of view, you may receive mixed results during this period. Due to your hectic schedule, you may feel tired. Due to this, you may feel restless and disappointed. Your mind may not be at peace. Hence, you should not ignore your health because of your work. Rahu and Mars' position can make you aggressive in the beginning of this quarter. Hence, you should try to

2014 Vedic Horoscope

control your anger. You should try to be calm and composed. People may avoid you because of your aggression.

In the third month of this quarter, you will be relieved of any tensions related to your health. You will feel active during this period. You will be relieved of any stomach related problems. You should indulge in good eating habits. You should follow a proper routine.

October 2014 to December 2014

From health point of view, you need to be very careful during this quarter. You should avoid all kinds of bad habits. You should avoid alcohol, drugs and other such illicit substances. This is because you may become habitual to such substances if you start using them in the beginning of this quarter. Such substances may have a very bad effect on your health. You may be stressed or tensed because of this.

In the second month of the quarter, your health will see some significant improvement. You will feel better during this period. In the third month of the quarter, you will have to take care of your father's health. This is because your father's health may be affected in some way. Your mother's health will be fine. Your life partner will be supportive and help you relieve some stress.

2014 Aries - Love & Relationships

January 2014 to March 2014

This quarter will give mixed results with regard to love and relationships. During this period, the relationship between fifth house, seventh house and ninth house is prominent. Due to this, you may be involved in an affair. If you're already having an affair, you may get married during this period. Your relationships will be fortunate for you this quarter. If there have been talks about your marriage, everything may be decided in the second month of the quarter. Your affair may lead to marriage during this period.

In the last month of this quarter, your relatives and friends may try to interfere in your relationship and cause some problems. Due to this, there may be some differences of opinion between you and your partner. During this period, you should not rush into any decisions. Although you may see some improvement in your relationship, there may be some problems in the last week of the quarter. Rather than worrying about it, you should give some to yourself and your partner.

April 2014 to June 2014

In the first month of this quarter, you need to be careful related to matters of love. During this period, you should not engage in any unethical relationships. Otherwise, you may be disgraced. In this quarter, you may have the desire to get involved in more than one relationship. However, this may cause some problems. Your relationship may be affected. Your partner may also try to dominate you. You may be forced to agree with your lover. After the second month of this quarter, you may get serious about your relationship. You may want to marry your lover. The third month of the quarter is auspicious for building new relationships.

July 2014 to September 2014

For matters related to love, this quarter may give some satisfactory results. In this quarter, you may have to make a lot of efforts to strengthen your relationship. You may meet your soulmate on a journey. Therefore, you will not have to waste your time looking for the perfect person. Your relationship will develop on its own. In the third month of the quarter, there may be some ups and downs in your relationship. You should not get aggressive with your partner. Otherwise, there may be some problems in your relationship. In the third month of this quarter, you may keep making constant efforts to strengthen your relationship. You may even gift something to your partner. Your relationship will be rejuvenated and you will get more involved.

2014 Vedic Horoscope

October 2014 to December 2014

For matters related to love, this quarter may give some mixed results. In this quarter, your partner will not be completely supportive. You may be saddened by this aspect of your life. Your relationship may even come to an end. A debilitated Venus may affect your love life. In the second month of the quarter, you may experience some relief from your regrets and lack of affection from your partner. Your enemies may try to create some problems between you and your partner. Hence, you should not take any decisions based on someone's influence.

You will receive love and support from your partner. Your partner will try to support you through difficult times. He or she will be with you and accept you with all your good and bad qualities. He or she will make constant efforts to make you happy. In simple words, your partner will be loving.

2014 Aries - Students

January 2014 to March 2014

For students, this quarter may give average results. With help from education, you will be able to accomplish many tasks. In the first month of this quarter, you will get excellent results related to academics. You will be able to concentrate on your studies. If you are participating in a competition, you may receive positive results. In the second month of the quarter, you may find it difficult to concentrate on your studies. Due to this, there may be some problems in your studies. Mars and Saturn's aspects may cause some problems in your education.

You may waste a lot of time with your friends. Due to an infatuation or relationship, you may be distracted from your studies. It will be better if you try to act sensibly and focus on your studies. In the third month of the quarter, you may plan to go abroad for your studies. You may even be successful. You may be interested in technical courses.

April 2014 to June 2014

In the first month of this quarter, you may experience some distractions. Children will be unable to concentrate on their studies. They will spend most of their time on extra curricular activities. Since Mercury is in a debilitated sign, you will find it difficult to focus on your studies. If you don't make efforts to rectify this situation, you may face some serious consequences.

You will be inclined towards sports and movies. Your parents will be very disappointed in your lack of focus. They will also feel restless because of you. If you are participating in competitions, the second month of this quarter may give some positive results. You will be focused on your studies during this period. If you want to get good marks, you need to start your preparation and study hard.

July 2014 to September 2014

The first month of this quarter will be quite auspicious for students. During this period, you will be able to perform well in studies. You may even turn your passion into your career. You may be involved in some new projects. Your hidden talents may come to the surface during this period. You will be able to polish your creative skills. In the second month of the quarter, you may be interested in courses related to art and creativity. In the last month of this quarter, you may experience some problems related to your studies. However, you should keep making efforts to succeed. You need to concentrate and avoid any distractions.

2014 Vedic Horoscope

October 2014 to December 2014

The first and second month of the quarter may be stressful for students. You may be in bad company and avoid your studies. You will be completely distracted and unable to focus on your studies. You may try to pursue some distractions secretly. Therefore, parents need to be careful and ask their children to focus on studies. Parents need to set a schedule or routine for children.

If you are participating in competition during this period, you will have to work very hard. This is because you may lack something in this quarter. However, your efforts and hardwork will help you achieve success.

2014 Aries - Travel

January 2014 to March 2014

For journeys, the first month of this quarter will be quite inauspicious. You may experience some problems during this period. You may be drawn towards a religious pilgrimage. If you are travelling with a goal in mind, you may not receive auspicious results. During such journeys, you may have to struggle unnecessarily. Due to this, you may be troubled by physical and mental stress. Therefore, if possible, you should avoid any journeys during this period.

The second month of this quarter will be quite auspicious for journeys. You may plan a vacation with your family. In the last month of this quarter, you will go on a long journey. You may also travel abroad. However, before planning your vacation, you should check all the documentations and paperwork. This will avoid any unnecessary problems.

April 2014 to June 2014

In this quarter, you may have to go on some long journeys. However, you may experience some problems on these journeys. When you are travelling, you should take care of any expensive items. You may plan a vacation with your family members. If you go on a picnic, your mind will be refreshed. You will feel rejuvenated. This will be a positive change for your situation. In the last month of the quarter, you may get a chance to go on a religious pilgrimage. Due to this, you will experience some peace of mind. You may also go on some short journeys related to your child's education.

July 2014 to September 2014

In the first month of this quarter, you may go on a lot of journeys. During this period, you may go on many official tours. In the second month of the quarter, you may plan a religious pilgrimage with your family. During this period, you may also be attracted towards someone. You may also travel abroad for your work. However, you may experience some problems in the third month of this quarter. If you go on journeys with a goal in mind, you will receive positive results. Although your journeys will be fruitful, you should still be careful about your health.

October 2014 to December 2014

In the last quarter of this year you may go on some short journeys. During this period, you may also receive some benefits from these journeys. However, you will be unable to rest on these journeys. This is because such journeys may not be very successful.

2014 Vedic Horoscope

You will not go on many official tours during this period. In fact, you may even postpone some journeys because of your personal problems. You may go on some journeys with your family members. These will be related to some important tasks. In the second month of this quarter, you may go on a pilgrimage alone. Before going on any journey, you should check all the paperwork and documents. This will help you avoid any unnecessary problems and obstacles.

2014 Vedic Horoscope

2014 Vedic Horoscope

2014 Taurus - Finance and Wealth

January 2014 to March 2014

Your financial status may not be good during this period. Expenses on children may arise. You may invest in land or property in this period. Expect to regain your bad debts by the mid phase of this period. Health complications of spouse can also lead to increase in unexpected expenses. Despite of additional expenses, you won't have to face any complications in your work and business.

Accumulating money during this period can be difficult, but your expenses will be equal to your income, keeping your bank balance intact. You might also invest in share market, but make sure you don't over indulge in it. Too much greed can be devastating as well. Consult your elders or experts before making any investment. Those who deal in real estate, have good chances of gaining huge profits in this period.

April 2014 to June 2014

This quarter will give mixed results for your career and profession. Your expenses will not exceed your income in this quarter as well, giving you a stable financial opening. You may expect to earn good profits through real estate deals. Make sure you take a close look to all the paperwork to make sure they are legal and authorized. Do not think about earning money through illegal deals. This can lead to huge losses. Just be careful of your present environment.

CANCER

Based on Vedic Astrology(Moon sign)

**How will the year 2014 be for
you overall ?**

Characteristics of Cancer Sign

Cancer is the fourth sign of the zodiac. In the zodiac this sign expands from 90-120 degrees. Moon is the lord of this sign. Cancer sign rules four quarters of pushya nakshatra and the four quarters of Ashlesha. It presides over the south direction and is a moveable sign.

This sign is related to the water bodies and the area surrounding the water and its symbol is a crab. Due to the influence of this sign you are very emotional and because of your emotions you may take decisions in haste without giving much thought to them. You do not think much about the result on a decision that you have taken. When you get deeply attached to someone then you are very loyal to them, and will not hesitate to sacrifice even your life for your good friends. But you establish friendship with only very few people.

This sign is related to the water bodies and area surrounding the water i.e coastal areas, beaches and waterfalls. You love to stay at home rather than visiting public places. One quality often seen in people of cancer sign is that just the way a crab grabs a person or thing in its claws and does not leave it even if he has to sacrifice his claws due to this, in the same way a person of Cancer sign does not forget any slight quickly. If something hurts them then they keep thinking about it all the time and are not able to leave it. You are very imaginative and just like water, you have a flexible nature, wherever you will be put you are able to take up that shape.

Appropriate Career for Cancer Sign

Moon is the lord of this sign, because of which it is considered a benign sign. Due to the influence of this sign, the person is soft natured and emotional. You are hard working. You dream up big schemes. The suitable career for cancerians are the fields related to export and import of medicines, discovery, business related to food, water related products and working in startups.

Other than this, you have the chances of working in the water department. You can work in the navy also, milk related business, fishing and business of honey. You can also be in the hotel business.

2014 Vedic Horoscope

Careers like painting, arts, irrigation department, botanical department and business related to white things such as cotton, rice, milk, moon-stones and white metals are also suitable for you.

2014 Cancer - Finance and Wealth

January 2014 to March 2014

For the people having cancer sign, the first quarter of the month can bring unnecessary expenses. The beginning of the year can bring lots of ups and downs in your life. So it is important to be careful about money related matters. In these three months, it is possible that you will have to spend some money maybe on your younger brother or sister or in order to solve your own problems.

In the beginning of this quarter you will have a requirement to take a financial loan and you will not be successful on controlling your expenses. At this time you are likely to spend money in court cases or share market due to which you will have a lot of tensions.

In the middle of this quarter you will also have to spend some money on your life partner. Along with this, you may buy some necessary home items. You will get success and money, but it will be very difficult to understand where this money goes. The end of this quarter can bring relief to you. At this time you can have some financial profit. During this time, you will be completely engrossed in earning money, you should try to control all your unnecessary expenses as much as possible.

Note : To get rid of your financial problems and lack of money you should chant the money related kuber mantra.

April 2014 to June 2014

You may begin the second quarter of the year on a positive note financially. In this quarter you have pretty good chances of earning money. People who are at a higher level will help you a lot in your work and you will achieve success. In the second part of the quarter your efforts will bring in results and you will earn money. If you keep working hard and put in the same efforts then you will get good results, so there is no point sitting idle.

You will have to work hard in order to achieve your goal otherwise things may not work out. Keep your dominance on your enemies. At times you will face financial problems. Business related expenses can spoil your budget. In this quarter keep your confidence and move forward

2014 Vedic Horoscope

to get good results. The end of this quarter may see an increase in your budget.

July 2014 to September 2014

The third quarter of the year is likely to bring in mixed results. In the beginning of this quarter you will have extra expenses having an effect on your savings. You are likely to spend some money on your family's need and also in order to take care of your health. But you will earn enough through your dedication.

This quarter will bring a positive news and your financial tensions will be resolved. Whatever responsibilities you have, you will meet them successfully. At this time the planets are in your favour and will bring in the gifts of your hard work. During this period you will spend money on your own self. You may buy expensive things for yourself. Your condition will remain good till the end of this quarter. Also, if you have invested money or it has been stuck somewhere, then its time to rejoice.

October 2014 to December 2014

For the people of cancer sign, the beginning of this quarter is favourable in regards to financial matters. During this period, you will get some good opportunities to earn money but may bring you mixed results. At this time you will be passionate and enthusiastic in working towards your expectations and hope.

During the beginning of this quarter you will have to face tensions related to money but the problems won't last long. However your expenses may keep on increasing. It is important for you to keep control over your anger otherwise you will move away from people.

You will get good results of your hard work. At this time you may borrow some money. The position of your planets will change leading to improvement in your condition. You may buy some things of your choice. Although this period is favorable moneywise, the results from the work may not satisfy you. You are likely to spend some money on your self and may plan to go out of the country on a vacation.

2014 Cancer - Career & Profession

January 2014 to March 2014

From career's point of view, this quarter will be average for people of cancer sign. In this quarter you will work hard towards your goals, but the results that you are seeking may elude you. You will not be found lacking in your efforts which says a lot about your spirit. The situation may disappoint you, but you must not let disappointment overcome you. Don't step down your efforts and maintain your drive, because that will help you overcome the situation.

On the negative side, your enemies can involve you in a plan which will be harmful but if you practice restraint then you can foil their plans. You may travel to many places for your work which will give you good results later.

During this time you should think thoroughly before taking all business decisions.

April 2014 to June 2014

The second quarter of the year is likely to bring various shifts at workplace. The clashing of the two planets with each other will lead to disappointment in work. Still, from somewhere or the other there will be an improvement in your condition.

You may also receive some pressure from the government and the people working a level below can also bring some troubles for you. At this time the people who are at a higher level than you will be a little unsatisfied with you because of your work but this does not mean that they are unaware of your ability.

The influence of the two planets will cause some obstacles in business. The influence of your laziness will be seen on your work. You will have to take a loan to solve money related problems. You can earn some money by investing it in the share market. For business related work travelling abroad would be favourable. In order to maintain your prestige you will have to work with proper planning. You might have to think about changing your business. You may have to struggle to complete your task, but if you keep going you will make it.

July 2014 to September 2014

This period is auspicious in regards to career. You are likely to attain good position in your career and whatever problems you were going through will dissolve. You will have to travel for work in

2014 Vedic Horoscope

the beginning of this quarter. There may be opportunities to travel abroad. There's a chance that you might not be able to grab the opportunity, but the opportunities will present themselves nevertheless. On the negative side, your colleagues will try their best to create problems in your work.

In the second phase of the quarter you will show good results in your professional life. During this period you can also plan to expand your business with your partners, because of which you will have to work harder. You may also be preparing to start a new job.

October 2014 to December 2014

In the beginning of this quarter you will get fast results in your work. You will have a lot of work and from time to time there will be changes in your thinking. The influence of the planets indicate instability and there is a possibility of changes taking place. At this time it is better not to get angry, instead be calm, think wisely and try to solve problems.

Your business will speed up and partnerships will be profitable, but it is a good idea to be very careful if you are going to invest in the share market. Make sure your research is complete and only then move forward.

You will have to face competition and problems in your job because of your competitors. You will also have to work for others. Before going on for a tour it is important that the people in business should consider all possibilities. Think about the profits, and make sure the tour is beneficial.

2014 Cancer - Health and Fitness

January 2014 to March 2014

For the people of cancer sign, it is important to take care of your health. You are likely to suffer from some health ailments. Some other reason will also have an affect on your health. During this period you will have to face a lot of mental stress. It may even affect your happiness.

You will be really disturbed because of the uneasiness going on inside your heart. Keep yourself away from unnecessary tensions. People who are suffering from heart related problems should take care of themselves. You should go to a doctor for regular check up. To get rid of mental stress you will have to take the support of medicine through which you will become calm and stable.

April 2014 to June 2014

In this quarter the health of the people having cancer sign will remain normal. You should take proper diet to maintain your health. The change in the weather may have an affect on your health. It is important for you to take care of your mother during this period. You should take proper care of her and be alert in health related matters.

In the fourth planet due to the transit of malefic planets, the health of the mother is likely to be affected. During this quarter you are likely to remain stressed. Try not to take too much stress and relax your mind if you can. Following a routine of yoga and meditation can help you deal with the situations in a better manner. Divert your mind to spirituality to find much needed peace.

July 2014 to September 2014

From health point of view, this period will bring some improvements in your health. The problems that you were going through from a long time will become less troublesome. The problem that you were facing will now be solved and you will get some relief. There may be some health related issues in the beginning of the quarter.

From the second phase of this quarter there are chances of improvement in your health. But you should not ignore your health otherwise it can lead you to suffer from a serious illness. At this time it is important to protect children from hot and cold weather and it is also important to take proper care of their diet.

2014 Vedic Horoscope

October 2014 to December 2014

From health point of view, you may receive mixed results during this period. In the first phase of this quarter you will suffer weakness in terms of health. Due to your hectic schedule, you may feel tired, hence you should take proper rest and care and be free from all work. During this time if you will eat too much from outside then you will have to suffer from stomach pain or gas problems.

In the last phase of the quarter there will be a change in your behavioural pattern and you are likely to get angry easily because of which may remain irritated for a long time. The health of your father is also likely to be affected during this phase. The tricks played by your enemies can make you mentally tired and you will not feel confident about your ability.

2014 Cancer - Love & Relationships

January 2014 to March 2014

This quarter will give mixed results with regard to love and relationships. Your younger brother and sister may try to interfere in your relationship. Due to this some differences can also occur. You can become your own enemy because of your anger and thus you should keep yourself calm and also keep yourself away from taking hasty decisions.

During this time there are chances that people may come to know about your relation because of which your tensions can increase. During the middle phase of the quarter those who are in a love relationship for a long time are likely to get married.

April 2014 to June 2014

In the initial period of this quarter, you need to be careful in matters of love. Both of you may have complaints against each other and may feel that the other person does not respect your emotions or understand you. It would become difficult to agree with each others thoughts. The love in your relationships may be reduced. If you get involved in a new relationship then there are chances that it may not go on for long as at this time the fifth lord, mars will transit.

The last phase of this quarter will bring a little relief for you. There will be some improvement in your love relationship. You may feel some stability. This period can solve all sort of disputes. You can receive some gift or surprise from your partner.

July 2014 to September 2014

This period is not too favourable for love relationships. At this time you will have to go through a lot of problems. There will be interference of others in your relationship because of which the clashes in your relationship can increase but if you work sensibly then this problem can be controlled and coordination can be restored.

At this time you should understand the seriousness of your relationship and take the right decision. You should remain relaxed and wait for the favourable time as the situation is surely going to change.

October 2014 to December 2014

2014 Vedic Horoscope

During this quarter you will get time to spend some nice moments with each other. But at this time you can have a lot of anger because of which even a small thing can lead to a dispute with your partner and further complicate things. The stability is due to Jupiter's benefic aspect.

During this quarter you may be tempted to get involved in new love relationships and the feelings of love and romance will keep coming in your mind. Your relationship may move towards marriage. So ease your mind and wait for a suitable time.

2014 Vedic Horoscope

2014 Cancer - Students

January 2014 to March 2014

For students, this quarter may not give favourable results. In the initial phase of this quarter you are likely to be involved in extra activities similar to athletics. You will be full of energy and enthusiasm and will always be ready to do hard work. It will take time to get the favourable results but do not feel depressed.

In the middle of this quarter you will get some unexpected results. This period can be a little contrary. During the middle of this phase your mind can wander and you can move away from your goals.

April 2014 to June 2014

You will have to face a lot of problems. You will not be able to focus and concentrate much on your studies during this period. You will have to put in a lot of efforts in order to get success and some or the other problem will always remain. If you keep making the efforts, your bad-luck spell will get over soon.

You should focus on your studies rather than indulging in unnecessary discussions. During this period there will be an increase in your responsibilities and the work pressure can also increase. Due to this you may get confused about your targets. In the last month of this quarter you can put efforts to go abroad for your studies.

July 2014 to September 2014

This quarter can be stressful for students. You will have to work really hard. Do not let yourself get distracted because of anything, as the influence of the planets can distract you and take your mind away from studies.

You should not waste your mind on unproductive affairs otherwise it will put a roadblock in your studies. There can be some expenses on education. Students can face money related problems during education.

October 2014 to December 2014

January 2014 to March 2014

The beginning of this quarter may be really favourable for students and they will perform well in their academics. During the second month, the students may find it difficult to concentrate on academics and may get into a bad company. For competitive exams this quarter may be unfavourable. It's not that you can't succeed in the exams but the main reason behind your failure will be laziness. At the end of this quarter the saturn will be afflicted and you may not be able to concentrate on studies. For better concentration you may chant the mantra "Om Gan Ganpataye Namah" 108 times after the cleansing routine in the morning. With this you will have better concentration.

April 2014 to June 2014

The beginning of this quarter may bring negative results but later you may find relief from problems but this condition may not prevail for long. You may get into fights with your schoolmates. If you stay away from home then you will have a feeling that no one is there to control you and therefore the tendency to get into fights may increase drastically. You may befriend inappropriate friends and waste your precious time. Since this is the starting of the academic session therefore there is ample time to recover. If you start preparing now then you may cover up syllabus easily.

July 2014 to September 2014

During this quarter your parents may get to know about your deeds at school. Your mentors and well wishers will try to convince you and you may get their point also. You may regret your past actions and feel guilty. Now you will try to concentrate on the academics as you will get over all the bad habits. Therefore by end of this quarter you will concentrate on the studies.

October 2014 to December 2014

You may find it difficult to cover up the syllabus and you feel overloaded on the academic front. You may be gloomy during this phase and may not indulge in any extracurricular activities. You may not hang out with friends and try to avoid any kind of communication with them. Don't try to overdo it because having a little fun with your friends won't hurt your academics. Everything in excess may prove bad for everyone, so participate in activities that will aid in the mental development and you will not feel the boredom during studies.

2014 Libra - Finance and Wealth

January 2014 to March 2014

You will begin the first quarter of the year on a bad note financially. There will be growth in your economic expenses. You will have to spend unwillingly. It is important to put a halt at the expenses being made at home because in order to get rid of the upcoming troubles you may require a lot of money. At this time you are likely to spend some money on your mothers health.

During this time you will not be able to handle and keep your money safe. All of a sudden expenses can increase in the family, so you should think some more before taking financial decisions, because you yourself will not be able to understand where your wealth is going. If you are planning to invest some money somewhere then you should wait for sometime because at this moment this investment may prove to be futile.

April 2014 to June 2014

Whatever conditions there were till now must have been quite satisfactory but in the coming quarter you will have to face adverse conditions because the planetary conditions for you will have a sharper impact, so whatever you do, be careful and consider it thoroughly before doing.

2014 Vedic Horoscope

You can face economic damages because of your enemies. At this time you have to be alert and think about your financial matters, some of your money can also be spent in court cases, etc.

You should keep your papers carefully and should avoid any sort of chaos. There can be some interference in the arrival of money. You can also spend some money because of getting into a dispute with someone. At the end of the quarter you are likely to spend money in some secret operations. Your partners can trouble you and recover their money, so your image can also be affected. If you have already invested some money in shares, etc then you have chances of having profits from it during the last quarter.

July 2014 to September 2014

In this quarter your situation can remain confused. If you are considering to give someone a loan then you should just keep it as an idea only because the loan given at this moment will not come back soon. You have the chances of not getting financial assistance from your family but you should not be lacking in your efforts and you should improve your financial position with full passion. During this time you should not avoid your actions because if you make any better strategy then you will be benefited from your investment. Keep an eye on market policies and invest your money according to it.

In the middle phase of the quarter, there is a scope of improvement in the conditions. Your sources of income will increase and you will be able to earn through your efficiency. During this time some of your expenses may be reduced and there can be a control on your unnecessary expenses. You will also get some benefit from ancestral property and with your fathers cooperation your economic situation will be enhanced.

October 2014 to December 2014

This phase of the quarter will be general for you. Whatever efforts you have put in, will now bring in positive results. But at this moment, the situation of the planet venus is debilitated and mercury is declining and high, that is why you have to focus more and should not take decisions in a hurry and instead should wait for the favourable time.

The markets' ups and downs can also affect you. Please think before making any investment in the stock market, as it would save you from losses. From the middle of the quarter you have the chances of getting good profits. You will have some improvement in your standard. There can be a sudden expenditure on any family member but you can handle these changes properly.

2014 Libra - Career & Profession

January 2014 to March 2014

The initial period of the quarter is seen to bring good results for the people of libra sign. In your work there will be less cooperation from your employees. But you will try to impose your power. At this time you may angry and your capacity to remain calm may be tested. In this situation your colleagues will try to maintain distance with you because of which there will be an interruption in your work. Keep yourself calm and be focused towards your work.

Those who are in business should be careful about the stock and inventory. If you have the right inventory you can face your competition, otherwise you may have to struggle.

People who are related to the work of manufacturing of garments, etc are likely to get good opportunities. You can also plan to set up your business somewhere far away from the town. You will also have to travel for some important trips because of your business due to which you are ready to take help from your colleagues as well.

April 2014 to June 2014

The methodologies in your work are now to be followed with more strength. In your job you will get chances of moving forward but the competition will be very strong. If you are planning to change your job then this time is not considered to be a favourable. If you really need to change it, then find a new one before you leave the old one. At this time mercury is debilitated so your intelligence will also be affected because of which you will remain away from the far reaching results about the decisions you take.

For the people involved in business this quarter is suitable. You will get credit and recognition for your work. At this time you can be cheated if you are in a partnership, or by people who are working with you.

If you are earning money through some wrong or hidden business then you must stop immediately to prevent getting into trouble.

July 2014 to September 2014

This time can give you some relief from your problems. You have the chances of getting progress in your work or your job. During this period your high officials will also be satisfied with your work. You will get good the cooperation of your boss. Due to the presence of jupiter in the tenth

2014 Vedic Horoscope

house you will be able to fight your opponents. The initial and the middle phase of the quarter will be helpful to take you on your path. Your colleagues will also support you.

Business owners will earn profits in this quarter. You'll need to put in efforts, but they will be well paid. The situation might get a bit tighter around the end of the quarter. In order to expand your business you will have to spend some money, during which you can also consider taking a loan or debt. You will be successful in defeating your enemies but to come out of the deficit situation, the investments made in the past can be of help now.

October 2014 to December 2014

You should be flexible in the working atmosphere and should pay attention to your costume and custom. You should not be in haste and should wait till the middle of the quarter, because you will get relief only by the middle. If you are planning to do your business with someone then you will earn profits.

The time is favourable for people who are in property related business. You will be successful in earning profits through the construction work. You will have to put in more efforts and through hard work you can be successful in defeating your rivals. If you will be engaged in frequent attempts then you will surely get success and will reach your destination.

2014 Libra - Health and Fitness

January 2014 to March 2014

2014 Scorpio - Finance and Wealth

January 2014 to March 2014

This first quarter will be quite inauspicious for you. Your expenses may rise during this period. You may even have to spend your savings in this quarter. You may have to borrow some money to accomplish an important task. You will experience financial problems throughout this quarter. You may be very tense because of these financial problems. You may use some unethical or illegal means to earn money. You should not invest your money in the share market during this period. It will not turn out to be good for you.

During this period, the money you spend on your siblings will be wasted. Hence, you should look for long term goals and take decisions accordingly. If you plan to sell property or land during this period, you should wait for sometime. Otherwise, you may incur some losses.

April 2014 to June 2014

The second quarter will give mixed results. During this period, your income and expenses will be similar. However, this quarter is not very auspicious for any investments. Therefore, you should

2014 Vedic Horoscope

not take any unnecessary risks. In this quarter, you will not be clear about anything. You may even spend your money on some unnecessary items or objects. If you are unable to understand something, you should seek guidance from your elders in the family. Other people will be able to guide you in the right direction.

In the second month of this quarter, you may receive some benefits from your life partner or external sources. During this period, your lover will help you financially. However, you will be unable to avoid rising expenses in the last month of this quarter. Whatever you earn, you will spend it.

July 2014 to September 2014

In this quarter, you will see some improvement in your financial condition. You will experience some relief in this regard. All the problems related to your finances will be resolved during this period. This is because your income will rise. Your siblings, mentors, parents or well-wishers can teach you some skills to increase your income. The last month of this quarter will be financially strong.

In this quarter, you may be worried about the future of your children. In order to secure their future, you may invest some money in various funds. However, you will do this after consulting experts. You may have to spend some money on medical expenses for your mother's health.

October 2014 to December 2014

The last quarter of the year will be in your favor. If you are planning to establish your sources of income abroad, you may experience some initial problems. However, you will be able to overcome these problems and achieve positive results. But your life partner may spend some money extravagantly on unnecessary items. If you talk to him or her, it may have a desired effect. You may even spend a lot of money on alcohol or cocktail parties. In the first and second month of the quarter, you may spend your money on other material desires. You may spend some money on yourself. You should control yourself. Just because your income has increased does not mean you should completely forget about the last few months. You will act sensibly by the end of this quarter. You will start saving your money.

2014 Scorpio - Career & Profession

January 2014 to March 2014

If you work in your family business, the first month of this quarter will be very auspicious for you. You will be able to expand your business and establish yourself. You will be able to use some innovative ideas to guide your business in the right direction. You may be very busy because of your profession. If you work in a partnership, this quarter will be very auspicious for you.

For people in jobs, the beginning of this quarter will be quite auspicious. However, if your work is related to multi-national companies, you may experience some problems. But you will be able to use your cleverness and cunning to receive support from your superiors. If you are determined about something, you don't let it go until you have accomplished it. You have the same attitude towards your profession.

In the second or third month of this quarter, you may receive a promotion. However, many people may try to create obstacles for you. Due to this, you may not receive as good results as expected. You will be unable to understand why this happened.

April 2014 to June 2014

In this quarter, you may receive some mixed results. In the beginning of this quarter, you may be troubled by the Government or Government officials. You should be sensible, calm and composed during this period. You are quite stubborn in life. You may harm yourself because of your stubbornness. You should keep an open mind during this period. It will help you handle difficult circumstances.

In the second month of this quarter, the situation will significantly improve. You will definitely feel more energetic during this period. You will also be satisfied at work. However, if you run your own business, you may experience some problems. You should be very careful in the last month of this quarter. Your enemies will be able to take advantage of your problems. Due to this, you may even be punished for your mistakes. If you control yourself and keep making efforts, even accusations won't cause any harm.

July 2014 to September 2014

If you work as an employee, the first two weeks of this quarter may cause some problems for you. This is because you may be accused of wrong doings. Your ability to work may also be

2014 Vedic Horoscope

criticized indirectly. However, you will be able to make constant efforts and improve your situation. You will also make efforts to improve your overall image. However, you should not let others think that you are selfish. You should not use people for your own benefit.

In the third month of this quarter, you will receive support from your superiors. You will be able to establish a strong position for yourself once again. However, all the accusations and problems may make you consider getting a new job. Thus, you may apply for a job at many different places. If you run your own business, the beginning of the quarter may cause some problems. However, situation will gradually improve. CAPRICORN

Based on Vedic Astrology(Moon sign)

**What does the year 2014 say
for you career wise?**

Characteristics of Capricorn Sign

Capricorn is the tenth sign of the zodiac. In the zodiac this sign is from 270 to 300 degrees. Saturn is the lord of this sign and its symbol is a goat. Its element is earth and it is a moveable sign. As it's a moveable sign the influence of this sign can be seen on you because you always remain moving and you do not like to stay at one place only. As you are of the earth element, you are a practical person. You don't just talk about doing things, you actually do them. Due to the impact of this sign you have a critical nature. Both in personal and business areas. To have development and success you require freedom.

You remain critical even in love related matters and move forward slowly. You never like to involve yourself in the matters of others until and unless you are expressly asked to. Your actions are the best proof of your personality and character. You are not into show off and give more emphasis on deeds. You only keep company with people who are honest, dedicated and are similar to you in nature. Your relation with your family is fine all the time and in order to help them you can go beyond your limits. You like to be with your family during festivals and special occasions.

Your social circle will be very limited. The people who are attached with you they know how firm and dynamic person you are. You never make a show of your talents because you do not like it. You speak less and work more. People judge you by your work. You fulfill your responsibilities very nicely. You are a good manager. You have a refined sense of humor and are a disciplined person.

Along with your good qualities you lack some things. The biggest deficiency in you is that you always keep saying that you know everything. You do not forgive someone easily and expect the

2014 Vedic Horoscope

worst thing to happen because of which your thinking becomes negative. If you are able to control all these shortcomings then you can be as a person with all the positive qualities.

Appropriate Career for Capricorn Sign

Saturn is the lord of Capricorn sign so the works related to saturn are considered to be favourable for you. You can do work that is related to agriculture. You can also do work in the field that is related to metal. The work related to wood and iron will also be favourable for you. You will make an excellent judge.

2014 Capricorn - Love & Relationships

January 2014 to March 2014

The first portion of this quarter of the year is not very good one for you in terms of relationships. There's a chance that there may be stress in your relationship and it may seem very dry and uninteresting. Hidden relationships may come out in the open making you the focus of discussion among your friends and neighbors. All of this may upset you and you may feel detached from love. The situation will improve by the end of the quarter and you might feel a fresh kindling of love towards your partner.

April 2014 to June 2014

This period of the quarter can be said to be favourable for your relationship. The misunderstandings that arose between the two of you will now be resolved. Both of you will be drawn towards each other again. Just make sure that you follow your own mind and heart and don't fall prey no matter how much a friend tries to incite you against your partner. Don't pay attention to hearsay. Your partner may give you a gift during this quarter.

July 2014 to September 2014

If your relationship is already experiencing fights and disagreements then it may be at the verge of collapse. You will not understand what is to be done. There's a chance that your partner's health may take a beating or he or she might become ill. This will stress you out further. Those who are in a relationship since a long time might plan to get married. There may be protests when you raise this issue in front of your family, though everyone will agree at the end.

October 2014 to December 2014

This part of the quarter is not favourable from relationships. There may be an increase in disagreements or fights. If you secretly admire someone but haven't expressed yourself, then don't do it for now. If you express your love now there are chances to hear a no in response.

There's also a scope of being cheated in love, or your partner may be faking the feelings. Therefore first get full information about your lover and then move forward. Do not blindly believe friends that are made through social sites or you may become a victim of fake allegations.

2014 Capricorn - Students

January 2014 to March 2014

There may be obstacles for students who were planning to study abroad. There may even be an interruption in your studies. Have a close look at the friends around you and try to figure out why you are lagging behind. Introspect and try to learn how you can do better in the future. Keep your focus on the studies and make yourself a success in your future tests.

April 2014 to June 2014

During this quarter your mind may be a little confused and you may not be able to focus on your studies even if you want to. Trouble at home could be a reason for this.

Your focus will be back on studies by the second part of the quarter and you may even secure a high rank. You also have the chances of getting good results in sports competitions. Your friends may help you get over any loss in studies. In the last month of the quarter you may participate in many competitive examinations, but you'll have to make a lot of effort.

July 2014 to September 2014

This quarter will be favorable for you if you are going to take part in any competition, but you'll need to put in your best effort to get the desired result. During the middle of the quarter you may waste your time on entertainment or by getting involved in unnecessary conversations.

Don't become too happy or complacent if you achieve good marks. Your attention might be diverted in conversations with the colleagues of the opposite gender.

October 2014 to December 2014

In the beginning of this quarter your mind may be distracted and you will not be able to understand what is to be done. You may feel confused while studying. At this time luck will not be in your favour and you may get addicted to something. Your parents will face embarrassment due to your addictions. During this quarter chant the saraswati mantra. Your mother can be very stubborn and matters will remain unchanged. You might both be blaming each other unnecessarily.

You might be renovating your home, and might be a bit troubled because the expenses may be more than what you expected. Support from your younger siblings is unlikely during this quarter. You should think carefully before investing in any big project right now.

April 2014 to June 2014

The tensions that were going on due on land might now be even more pronounced and there can be a situation of great tension between the father and son or the mother and the son. If there is construction going on in your house then due to some reasons there can be an objection made by the government officials and the construction work may have to be stopped which will disturb your mind.

Due this reason your mind will be filled with anxiety. Another reason for the stoppage in construction can be because of shortage of money. It is possible that at this time you may move further over your budget and may face economic hardship. It is better to specify your budget beforehand instead of facing the adverse conditions later.

During the second and the third part of the quarter you should move have a diplomatic approach towards your relatives and friends. You should stay away from unnecessary criticism. Don't listen to what people are saying pay attention to yourself and your family and carry on.

July 2014 to September 2014

During this quarter, the tension in the family will not improve. The conflict between you and your siblings may come out in the open. Whatever bitterness you were facing in your married life from a long time will now disappear from the second month of the quarter. You may be fully dedicated towards your partner and your partner will also have a special liking for you. Both of you can plan to spend your vacations with your family.

2014 Vedic Horoscope

During this quarter you should be careful as there are chances of getting into a secret extramarital relationship. People looking to get married may finalize a relationship. Your children may bring create some worries for you during the second month. You should ignore these problems because something or the other will always keep going on in life and thus you should move forward.

October 2014 to December 2014

This quarter will not be very stressful for you and you will get opportunities to relax and to hang out with friends. You might even take a trip.

As far as earnings are concerned, it's going to be a good period. You may try to vary your earning sources. The fluctuations in the share market may worry you a bit, but you needn't worry as you will gain stability early. Your earnings may increase during this quarter, but expenses will run parallelly. It will be hard to save money.

April 2014 to June 2014

You may have to take a foreign trip connected to some work during this quarter. There may be some problems in getting the visa or the passport, so do make sure you don't delay your applications. This is not a good time for the savings. Your business may require fresh investment and you may have a financial crunch. The positive thing is that this period will be over soon, and your fresh initiatives will bring you profit in the future. If you have an old debt, you may be rid of it in this quarter.

This period may be good as far as property is concerned. Government contractors may get a tender or a contract they were vying for, but there will be expenses even before your earnings arrive. You may have to dip into your savings for some important expenditures. There may be money spent on some health problems for a family member. You may also take a financial tour. Your business partnerships will be fruitful and will help you resolve your financial problems.

July 2014 to September 2014

You may have to struggle a lot to keep your financial position stable during this quarter. You may shop a lot and may end up buying some expensive things. Continue your efforts and struggle, this will help you move towards a better financial position. You may make important deals or make important decisions though there will be confusion and delay. A government project may give you a fillip to your earnings. If you have kids there may be fresh expenses on their education.

2014 Vedic Horoscope

Your sources of income will continue to be stable, but make sure you don't leave any work undone and don't rush through your jobs because that will affect your earnings. There will be no relief on the expense side and you may still have trouble making savings. You may have to make some expenses on a family member's illness. There may be some fresh profits in the last part of the quarter. If your money is stuck somewhere then there are chances of recovering it. Keep working to increase your profits, and get the results that will help you progress.

October 2014 to December 2014

You might be planning to invest your funds or to buy a new property. Trying to save for your investments might create some cash flow problems for you, but you will be able to benefit in the future. You may end up having to shoulder a fresh responsibility. If you have entered a new line of work then you might be about to make a sizeable deal.

There may be an increase of funds from foreign sources, but you may have to spend more on other things. There are chances of some financial problems so avoid lending out money during this quarter. You can take your the advice of your parents or younger siblings about money. The guidance from your elders will be very helpful to you. There are chances of earning from sources other than your line of work.

2014 Aquarius - Career & Profession

January 2014 to March 2014

The beginning of the quarter will give you mixed results in your job or business. You might run into some fresh obstacles or may have some disagreements with your co-workers. The planets say that you might also need to make some journeys. You will establish fresh connections, but the fruits from them will only arrive much later. Your business will spread to newer locations. You may feel concerned about your job, but the concerns will go away after some time. You will do good work and your boss will be satisfied.

Some of the work that you were struggling with will gain momentum during this period. You may also receive some work from a stranger, but do take care that you inspect the work carefully and find everything in order when you do it. At the end of the quarter you may form fresh relationships with foreigners or people far from your place of work. The transit of malefic planets may have some bad influences though.

The important rule to follow is to listen to people carefully, but avoid getting into arguments with anyone. Be patient and don't get stressed about government work that's being delayed. Due to the influence of Saturn and Rahu you may have to newer delays in the work that's near completion. Keep fighting the circumstances and you will be able to overcome the problems.

April 2014 to June 2014

Things at the workplace will be easier, and you will make good beginnings. You can develop a deeper understanding of the future challenges if you pay attention to the paperwork in any new project and think about both the good and the bad of the situation. Be polite to your colleagues or you might run into problems. There might be some hassles from the government, but on the positive side if you are in the import-export business or in IT, things will be generally good for you.

This is not a good time to implement fresh plans or policies. It might be a good idea to slacken your pace if you are trying to do something really new or fresh. Don't be in a hurry because the efforts you make right now may not be in the right direction. This is a good time to focus on skill development and to wait for a better time.

July 2014 to September 2014

2014 Vedic Horoscope

This quarter will be good for your business or job, and will get you fresh achievements. Your family members might join your business and will help you achieve higher milestones. There may be small disagreements but you can put them aside with a little thought and effort. Interior designers will have a good quarter and will grab fresh opportunities. People will appreciate your work. Those in the job might have some uncomfortable moments, but it's best to ignore them and continue doing your work well.

If you are in a partnership then lack of knowledge of your domain will pose a problem. This is a good time for people in non-traditional businesses. Hurried decisions may cause you to lose some money or hurt your finances, so think before you leap. Your efforts will start bearing fruit from the second part of the quarter. Your bosses or seniors will seem to be satisfied with your work.

October 2014 to December 2014

This is the time to think through your decisions. If you are looking for a change in the job then you might have to wait but you'll get the job you desire. Use this time to finish your pending work because you might become very busy later on. You might have to travel for business purposes. There will be opportunities to travel for leisure and for entertainment. Your family business will need your help and you might get a higher workload at your work.

Businessmen will reap profits. The efforts you make now will pay up, so stay sharp. You can fine-tune your strategies in consultation with experienced people. There are pretty good chances of progressing in your job or grabbing a promotion. Participating in social activities may introduce you to some influential people which will prove to be of use to you. Your opponents will try to stop you, but you will be able to bulldoze your way through. Your profits may fluctuate a bit. Don't depend solely on your employees to get your work done. Monitor the situation closely.

Important

You may have to struggle with some problems at the workplace till middle of the year. To reduce this obstacles you should present 'Meethi Boondi' at a Hanuman temple every tuesday and then distribute it to the children outside the temple. Pray with full devotion to lord Hanuman.

2014 Aquarius - Health and Fitness

January 2014 to March 2014

This year may create some fresh concerns about health. That's why you should take care of your health and not succumb to seasonal changes. You should keep away from anger and perform your responsibilities with a peaceful mind. There will be some tasks that could create some concern in your mind but you can overcome this situation if you keep a control on your thoughts.

Start the year on a positive note with good intentions and good health and the year should pan out well. There will be some positive happenings in the family which will refresh you and increase the happiness in your household. There's a chance that couples who are looking to conceive will get a good news in this period.

Keep a check on your emotions which will help you fight mental stress and you will be saved a lot of worry. You can try meditation, it will help you relax and freshen up.

April 2014 to June 2014

You health will improve during this quarter. You will feel energetic and will get time for yourself. On the flip side you may be busier than earlier which could make you a bit tired. You need a break from your work. The rush to earn more and achieve more is hurting your health. The influence of Jupiter is helping you maintain stability in your health. Children may have to fight with some stomach ailments though, and playing excessively may tire them. Try not to let them stay out in the sun too long.

Take your meals on time and don't overeat because that's not going to be good for your health, in fact it may be actual reason for your fatigue. Failure at work may be taking its toll too and you need to be double as sharp about your health to fight all of that.

July 2014 to September 2014

Try to keep your attitude positive during this quarter, because when negativity starts to creep in, it will make you obstinate. You will stop listening to other people and follow your will blindly. If you are suffering from any chronic disease then you need to be cautious. Follow the directions religiously and see a doctor instead of trying to treat yourself.

Children may suffer from coughs and colds. You may feel a little restlessness, but your health will be fine around the middle of the quarter and you might even want to take a trip somewhere.

2014 Vedic Horoscope

This trip will recharge you for action.

October 2014 to December 2014

Be wary of your enemies as they may create stressful situations for you. You might feel the stress from journeys too. Health problems at home might also be a cause of worry. You need to take special care while driving to prevent mishappenings or accidents.

You may be in some challenging situations in this quarter but you can get out of them with your intelligence. Generate the confidence to take them head on or your health might take a hit. Planetary combinations suggest that you are prone to worrying over little issues and there may be reasons to worry from the side of your parents or seniors.

2014 Aquarius - Love & Relationships

January 2014 to March 2014

This is going to be a mixed quarter as far as relationships are concerned. You may feel a strong yearning to get the person you love and may even let emotions overcome you. Your relationship will be stormy, but there will be enough beautiful moments that will take away your fears.

You will enjoy the company of your partner and you will spend some blissful time with him or her. The obstacles in your path will clear up and this period will give opportunities for your relationship to develop. If you are single and looking then your search might end in this quarter. New relationships will bring you happiness and you will also receive the support from the elders in your family.

April 2014 to June 2014

This is a good quarter for relationships. You may enjoy someone's company unusually in your family. This could be a time for hidden lover affairs. You might feel an attraction for somebody but might hesitate from telling them. Your friends may help you express your feelings.

You may feel drawn to a stranger but this relationship may become a cause for some pain. Do not rush into love. You should take into account everyone's expectations before taking a decision. Work may keep you away from love, and you may not get the opportunities to express your feelings. This may even create some misunderstandings and hurt your relationships. There are combinations for lack of communication between you and your partner.

July 2014 to September 2014

You will make an effort to sweeten your relationship with your partner. Don't be obstinate and don't be afraid to own up to your mistakes and strengthen your relationships. There may be discussions of your marriage and you might meet the man of your dreams. This is a time for fresh relationships, new friendships. A new friend may be knocking at your doorstep and will enter your life. Some relationships may end prematurely and you may feel a bit lost. They might divert you from your work.

You must not let any stress enter your home, and use rest and relaxation to get rid of the tensions caused due to your relationship. Your relationship may be a cause of unrest at home. In the third part of the quarter your relationships will become stronger and vibes will be positive. Don't keep

2014 Vedic Horoscope

grudges.

October 2014 to December 2014

The last quarter of the year might take you on a secret journey for love. You might also be a bit occupied due to your affair and might meet some new person. Your heart will be in a conflict. Don't hurt your existing relationships in temptation of a new one.

The talk of your marriage might trouble you a bit at home. You should try to develop confidence in your existing relationships instead of creating a new one. Keep away from extra-marital affairs or multiple relationships as they may be a source of problems and might sully your reputation. The last part of the quarter will be the best and your partner will be a source of happiness for you.

2014 Vedic Horoscope

2014 Aquarius - Students

January 2014 to March 2014

The first quarter will bring students new opportunities to show their talent and capabilities. You will get the support from your family. Your family members will support you in your effort and guide you. You will also get important tips from your teachers. You will be able to focus on your studies and gain a good understanding of your subjects.

April 2014 to June 2014

You will not slow down your efforts in the second quarter either. You will continue being focused on your goal and will work hard as ever. If you have been planning to learn a foreign language then this is the time to apply. You will be able to gain admission in your preferred subjects with a little effort. Those who are interested in the arts will perform well in this quarter.

Your mind will be diverted to the arts and this will hone your skills. At the end of the quarter you might feel drawn towards other things, so make an effort and put yourself back on the track.

July 2014 to September 2014

You need to pay a lot of attention to your studies during this quarter. You may feel under a lot of stress and may be distracted towards other things. You may also feel a conflict in choosing your subject among several.

This is not really a good time for students. That's why the parents and guardians need to pay special attention to their children. If you have not been maintaining good relationships with your teachers then this period may create some stressful situations. Fight your stress and follow the principles of an ideal teacher-student relationship.

October 2014 to December 2014

This quarter may be filled with ups and downs for students. Don't make the use of any unfair means to achieve success. Any wrong thing that you do will create problems for you and reduce your peace of mind. Don't take shortcuts and depend on hard work and a positive attitude to achieve success.

2014 Vedic Horoscope

Those who use fair means and hard work will benefit this quarter, and on the other side those who have been trying to use unfair means will reap just fruits. Keep yourself away from the dark side, and focus on the basics with a peaceful and patient mind.

2014 Vedic Horoscope

2014 Aquarius - Travel

January 2014 to March 2014

Be careful when you start on a journey in this quarter. You may have to take some journeys for work but must take good care of yourselves during these journeys. The influence of malefic planets may create some discomforts and stress for you.

If you are going to drive on your own then be careful while driving. You may also take a journey for an important family business. It's likely that you may be traveling a lot in this quarter.

April 2014 to June 2014

It's better to delay traveling if you can. If you can't prevent it, and you have to take a journey then minimize your interactions to make the journey more comfortable. If you proceed too fast it will cause problems for you. Don't drive too fast to prevent an accident. Remember, accidents happen on road not just due to your fault, but the fault of others too. You should take special care at the beginning of the quarter.

July 2014 to September 2014

This quarter may be fruitful as far journeys are concerned. You may undertake some long journeys connected to work. There's a chance that someone might try to create problems for you during the journey, but you can handle it if you are patient and prepared. Make sure you have packed well and have everything you need to make this trip.

October 2014 to December 2014

You may make some long-distance journeys during this quarter. You may have taken some secret journeys that you don't want to talk about with other people and it's possible that this journey might still be on. You might meet a mystic or a guru during this quarter who will inspire you to make some religious journeys. There may be some interruptions in your journeys, but they will be a source of learning for the future.

2014 Vedic Horoscope

2014 Aquarius - Family

January 2014 to March 2014

The year is going to begin at a positive note for your family. You may find peace in praying and religious activities and will also enjoy good times with your family. You might bring some gifts for your family members and try to fulfill their desires. Your children will be a source of happiness for you, but there might be small disagreements with your siblings.

Do not ignore your relations and listen carefully to what your parents say. You will be able to protect yourself from costly mistakes, and will be able to live peacefully in your home despite the disagreements. Some actions by a senior person might irritate you, but you will be too busy to pay it any real attention. You should focus on changing your own behavior to maintain the prosperity in your home. You may visit some relatives during this period.

April 2014 to June 2014

This is a time to socialize and meet people. You might have guests during this quarter. You might also want to re-decorate or renovate your home. You might make some powerful friends. Something you do might make your family displeased with you. Try to get rid of this situation as soon as possible.

Those who are in a love affair and are looking to get married may find their marriage being finalized or happening at the end of the quarter. This is a good time to form new relationships. The expenses may go up a bit and you might buy a car or some other expensive item for your home. You will enjoy a lot during this period and will meet some old friends. Try to forget your worries and enjoy the moment.

July 2014 to September 2014

You might have to be away from your family for a little in this quarter due to work. There may be some stress in your relationship with your parents. You might want to be alone which will make people think you are cold hearted. People will try to stay away from you due to your temper. Try have a soft attitude and do not use harsh words for anyone.

Your situation will change by the end of the quarter. There may be a blow to your public image, and your enemies will try to dominate you. You will have to win people over again with your work. There may be some legal hassles which could worry you. Your children's career might also

2014 Vedic Horoscope

be a cause of concern.

October 2014 to December 2014

The last quarter of the year will bring you much needed improvements and relief. Whatever ups and downs that were a part of your life till now will settle down, but don't expect it to happen overnight. The beginning of the quarter will be spent taking care of all the misunderstandings and there will be a lot of activity in your home. You may have a sour relationship with your mother, but you must carry the responsibility of improving them. You will start achieving success from the second part of the quarter and your family will be back on the road to peace and prosperity.

The disagreement or legal tussles concerning property might be resolved, but take care that you are not cheated or duped. Major or minor hassles will start resolving by the middle of the quarter and you will be able to spend good time for your family. Don't get into arguments with your family members, specially the elders.

You might meet some old relative or friend during this quarter. You will get an opportunity to go out with your life partner at the end of the quarter. You will be busy with work but will be able to take time out for your spouse which will make your relationship stronger.

Aquarius Predictions 2014 - Remedies

Do the path of Sundarkand every Tuesday. Feed jagger and gram to monkeys on Saturdays. Chant the Laxmi Chalisa every day in the morning.

PISCES

Based on Vedic Astrology (Moon sign)

Will there be happiness in your family?

Characteristics of Pisces Sign

Pisces is the last sign of the zodiac. It occupies 330° to 360° in the zodiac. This is a dual-natured sign and its element is water. The symbol for Pisces sign is two fishes which with each having its tail places near the mouth of the other. Jupiter is the lord of this sign.

As it's a dual sign, it will create an instability in your nature. Your mind may be in a perennial state of uncertainty. As your element is water, you will change very rapidly. That's also the reason why you tend to believe people quickly and take actions without really thinking about the results. As your sign-lord is Jupiter you will be serious and intelligent, but if there are inauspicious influences in your horoscope then these qualities will be subdued.

The best thing about the people of watery signs is that they are very adaptable and can adjust to any situation quickly. It's not vital that you will achieve success only in a leadership role. You can keep improving your qualities and become better at what you do by making efforts no matter what role you are given. You are a very romantic person and will treat your partner with great affection. You only let cultured and decent people become your friends, and will establish friendships only when needed. You are good in expressing your feelings and will let others know what you like and you don't like by your behavior and attitude.

If your rashi-lord Jupiter is in a good state then you will have some special cognitive powers. You may be able to quickly grasp the situation, or may sense what's about to happen in a given situation. You will be intelligent, knowledgeable and will love music. You are a romantic person, yet you will be introverted and will prefer to be alone.

2014 Vedic Horoscope

Along with these qualities you will also have some bad attributes. If you can minimize them, it will make you a better person. You tend to be lazy, and you will sleep a lot. You may be a bit paranoid about things and may be a bit over-confident. You cannot tolerate any form of injustice or limits. The fact is, you value your freedom too much and don't like even symbolic trespasses. You lose your spirit very quickly when in a bad situation and may try to escape the situation instead of fighting it.

Appropriate Career for Pisces Sign

Pisces is considered the sign of Jupiter. Jupiter is the significator for intelligence, knowledge and judgement capabilities. It's considered the minister among all planets and is the celestial counsellor. It's also considered the Guru or the teacher of all the gods. That's why all professions which involve consultation and knowledge are in Jupiter's domain. You can be a fantastic consultant or a teacher. You may also be good at writing or editing. You can also be a great spiritual leader or teacher. Successful doctors are also often found from this sign.

2014 Pisces - Finance and Wealth

January 2014 to March 2014

The first quarter of the year will give you mixed results. In the first part you may receive some financial help or a gift from your in-laws. You may also receive financial bounty due to your spouse, and he or she may be the reason for your change of fortune. The first part of the quarter is slightly more suitable, but do take care in the second and the third part of the quarter. During this period your luck may not be at your side all the time. There are prospects of being cheated or duped, so don't give your money to anybody without a surety. You must avoid bribing to get your work done as it might backfire and you might just end up losing that money. Treat money like a valuable resource and spend wisely.

April 2014 to June 2014

You may begin the second quarter of the year at a bad note financially. If your money is already stuck in the share market or in speculation then there are chances that you may lose it. Don't become a victim of temptation and get involved in dubious get rich quick schemes. You should rely on your intelligence and skills alone to earn money or could have to suffer a lot of mental stress. You might want to avoid investing in land or immovable property during this period by taking a loan or you may run into problems repaying that loan. There's a chance that your life-partner may also cause a financial loss during this time.

In the second part of the quarter you may receive money from a secret source. Someone might help you financially without revealing their identity. This will bring you much needed comfort. Beware of the people who try to adopt illegal or shady methods to earn money. Do not try to get into any shady dealings or you might get a blot against your name.

July 2014 to September 2014

This quarter will begin on a positive note and your financial troubles will start easing. The money that was stuck with people will slowly start flowing back in and your financial condition will ease back to normalcy. You may also discover fresh sources of earning, but they might require a lot of extra work from you. You will not shy away from working day and night to increase your income.

If you are connected to any religious organisations then there are chances of financial benefits from these organisations. There may be some money in speculation, but don't dive blindly into it. The last part of the quarter will be beneficial for your children. This quarter is going to be sensitive for the people who earn from foreign countries because they may be able to create new

2014 Vedic Horoscope

sources of earnings but may have to invest or lose some other sources. Take intelligent and well thought financial decisions during this time.

October 2014 to December 2014

The last quarter of the year will be in your favor financially. It's not that you will have to spend in this period, your expenditure may increase in fact, but you will have the capability to make that expenditure without hurting yourself. No work will be stopped or need will stay unfulfilled due to the want of money during this period. You may earn from many sources. Your father may be a source of funds for you.

During this period the objects below the ground will be beneficial for you. As far as investment is concerned, don't invest in schemes that take a lot of time to mature. Invest in short-term schemes. There's also a chance of benefiting from a slight or mistake by your competitors. Enemies or your enemies may act as your friend and help you. Your younger siblings could also be a source of earnings or funds. You will also be able to earn from your own efforts and will be able to make investments if you so desire.

2014 Pisces - Career & Profession

January 2014 to March 2014

The first part of the quarter cannot be considered suitable for your career. The lord of the 8th house is in the 10th house and will create impediments in your career. The 6th lord is also in the 10th house which suggests you will have tough competition at the work place. You should be very careful at your workplace right now. Don't get into any confrontations or negative situations and don't accuse or blame people for anything. You should stay focused on your own work or the results might be bad for you. The last part of the quarter is slightly better for you. Be careful when you address your superiors. It's best to work in harmony with your colleagues to finish your work in schedule and to the specifications.

For business the quarter will begin well, but the second and the third part of the quarter will have relatively mixed results. You can invest in your business right now, and you may borrow or take the funds from someone else to make this investment. There may be a fall in your sales or revenue during this period. A partnership may not be a good idea during the second or the third part of the quarter.

April 2014 to June 2014

You mind may be a bit confused during this period. You may also be unusually irritable and may speak impolitely. Try to keep a control on yourself and be nice to people. Don't blame yourself too much for your negative behavior though, because all through this quarter you may have to face disagreeable situations at your workplace which will give you mixed results. You may have to try several times to get one task completed. This may make your mind troubled and you may feel restless. Your colleagues may act selfishly and retract from their promises which will hurt you. The people who don't like you may use this situation against you during this quarter. Be on the guard.

If you are in business then take the counsel of some experienced or able person to make important decisions. If there's something which seems out of grasp right now, then don't go chasing after it. Keep it aside for a more suitable time. Partners may have some disagreements during this period and you may feel ill-treated. Take well thought decisions right now.

July 2014 to September 2014

Good news for you! There is a chance of getting promoted during this quarter. This promotion may come to you unexpected, or you might feel a strong urge to change your job and may apply

2014 Vedic Horoscope

for a better position elsewhere. Whether you get a fresh job or not, you may suddenly have a desire to leave your job in the second part of the quarter which will not be in your interest at all. You should stick to your current job till you find a new one. Don't take a path that will lead you to problems.

People involved in the property business will have mixed results during this quarter. If you involve yourself in a deal connected to a disputed property you might have problems disposing it off later. Better avoid a situation in which you end up getting the same amount, or worse, lower than what you paid. Don't fall prey to sweet talk.

If you're in another trade then the business might be a bit slow during this quarter and you may feel a bit stressed.

October 2014 to December 2014

You will perform spectacularly during the last quarter of the year. There may be praise and eulogies for you after a long time. You can grab this opportunity to finish all pending work. There may also be fresh opportunities which you should grab right now. If you are in a government related job then you will be praised for your good work and may even receive some sort of recognition or award from the government.

For those in politics, the opposition may try to drag your name in a dirty affair. Make sure you get along with senior bureaucrats and office holders during the last part of the quarter. Don't put yourself in an argument or opposition against them.

For businessmen too this is going to be a challenging quarter. Protect yourself from any dealings with the female gender. You may end up making a loss making deal. Make sure that all deals you are getting into are sound so that you won't be cheated later. Be patient during the unfavorable period and wait for it to get over. The last part of the quarter will be beneficial for you.

2014 Pisces - Health and Fitness

January 2014 to March 2014

There may be health issues during the first quarter. The problem may be in the reproductive system. Take great care of hygiene and protect yourself from illnesses that may baffle even the doctors. Delayed diagnosis will be harmful to you. Take care of yourself and make an effort to stay healthy. The health issues may be more pronounced during the second and the third part of the quarter. Take good care of your diet during this period. Use less spices and food that generates heat in your body.

April 2014 to June 2014

If you are suffering from any heart related ailment then get a checkup performed right at the beginning of this quarter. Even if you are not a heart patient, do take good care of your health. You must avoid anger and too much excitement. Even an excess of enthusiasm may be harmful for you. Try to have a subdued reaction to all situations. There are chances of developing acne or skin breakouts during this period. Some eye related problem might also occur.

July 2014 to September 2014

If you are fighting health issues from earlier on, then there will be improvement in your health during this period. There may be some stress on your mind however, due to family and home related issues. Your spouse may be a cause of this stress. You can use meditation and relaxation techniques to reduce this stress. Take special precautions about the food you eat in the second part of the quarter or you may be overwhelmed by tummy related problems. Newlyweds might have problems establishing physical relationships and should consult a doctor in this situation.

October 2014 to December 2014

Pregnant women should take special care of themselves during the first part of the quarter. Don't lift heavy weights and avoid mental stress. Make sure your diet is rich and balanced. If a woman is suffering from gynecological problems, they might increase during this period. Make sure you consult a doctor on time. There are chances of contracting a urine infection in people who are susceptible to it.

2014 Pisces - Love & Relationships

January 2014 to March 2014

This is not a good quarter for relationships. If you are already in a relationship then take special care as there are chances of strains developing in. It may begin with a small complaint, but may balloon into something unmanageable. Be patient during the first and the second month in the quarter and things will ease up by the third month. Pay attention to your partner and try develop an understanding for what they are feeling. Give your partner enough time and listen to what he or she tells you avoid unpleasantness.

April 2014 to June 2014

Relationships freshly formed during this period may cause you grief. That's why avoid the first part of the quarter. If the second part of the quarter seems suitable you may express your feelings during it. The third part is the most suitable part as far as relationships are concerned and you may be able to spot the right partner for you. This may be a very romantic period for both of you. Your partner may be lucky for you and you might take a trip somewhere. You will be able to fix any disagreement that creeps up.

This will help you understand what's correct and what's not. Your relationship may cause the atmosphere at home to become uncomfortable and your own mood may be spoiled. If you inform your family about your relationship early on then you may not have to face a lot of opposition. You may feel yourself stuck between your partner and your family, and your behavior will be affected which might make your partner upset. You might have to make many efforts to pacify your upset partner during the end of the quarter.

2014 Pisces - Students

January 2014 to March 2014

The first and the second part of the quarter are going to be normal for you with regards to study. You may feel a little worried about your studies in the third quarter because you might not have been able to prepare to your satisfactory levels due to some reasons which may cause you to miss the mark in the examination. Don't get too worried. Refocus on your studies and work harder. One of the reasons for an interruption in your schedule could be the lack of good health. You may feel upset due to these happenings.

April 2014 to June 2014

Your mind may be a bit confused during this period and you may feel detached from your studies. You may not be able to focus your mind even after a lot of effort which will make you angry at yourself and may spill into angry behavior at your fellow students. Don't get into any arguments with your classmates and keep a strict control on your tongue. Behave courteously with your teachers and try to follow their instructions.

July 2014 to September 2014

Your mind will begin to focus back on studies from the beginning of this quarter and you may become an ideal student. You will perform well in other activities like sports, debates, etc. This is a lucky period for you and if you are seeking admission at a better institution you may be able to secure it.

October 2014 to December 2014

The last quarter of the year will be in your favor. You will achieve what you desire. If you have a campus interview going on right now you will get the job you are looking for. Students having their oral or written exams right now will be successful. If you work just a bit harder you will reap rich fruits. This is a good quarter for you, so make the most of it.

2014 Pisces - Travel

January 2014 to March 2014

The beginning of the first quarter of the year is not suitable for journeys. The journeys you take right now may be unfruitful and you may end up wasting your time and money. Make sure you are well prepared before you take a journey during this period and are aware of the possible losses. If you have bad health then avoid making journeys to protect your health from becoming worse.

April 2014 to June 2014

You may go on a short foreign trip during the second quarter of the year. If you have been planning a foreign holiday then you may be able to take one right now. You may also be able to visit a spot of natural beauty which is far away from your home. This will fill you and your companions with fresh energy and enthusiasm. Wherever you go, take special care of your belongings and stay at a secure place only.

July 2014 to September 2014

October 2014 to December 2014

Journeys made with your life partner or family during the first or the second part of the quarter may yield negative results. You may get involved in an argument during the journey which will ruin everyone's mood. There may be an atmosphere of cold-war in your family all through the journey. The arguments may be pronounced among father-son or with the elders. The second part of the quarter is suitable for journeys of all sorts. Religious journeys can be started during this period and will prove fruitful to you.

2014 Pisces - Family

January 2014 to March 2014

Make sure you are loving and affectionate towards your mother in this quarter. Make her health and well being your responsibility and pay attention to her. If you desire to take a home-loan to buy a flat or a property it might be sanctioned during this quarter and you may be able to make a home. This quarter can't be called good for your marital life. There may be an unusual amount of disagreements and trouble in your marriage. Your partner may be excessively obstinate and might not listen to anybody.

You too will be bitter and will react fiercely on everything. Increased expenditure may be a cause of woe. During this period visible and invisible enemies may dominate you and may create frequent problems for you.

April 2014 to June 2014

You and your life partner might not get along very well in the beginning of this quarter. The two of you might adopt an uncooperative attitude towards each other which will cause great dissatisfaction. For those who are not yet married, but the marriages are fixed, there's not very good news because there's a chance of breaking up. This may create a bad vibe in your home. One of the family members may be hiding something from the others which may make you very unhappy when you discover it.

In case there's no improvement in your marital situation then your father might intervene to help you live happily with your life partner. The last part of the quarter is not suitable for building a home and you may face many problems during this time.

July 2014 to September 2014

You might feel worried about your children's health during the beginning of this quarter. If your children are grown up then you might be separated from them. Your partner may be very suspicious during this period and may seem extraordinarily afraid or worried. He or she may do some odd or weird actions which will put you in stress. If you are marriage is expected to be fixed in this time period then try to delay it a bit. It's best for you not to finalize the marriage right now.

2014 Vedic Horoscope

If you are trying for a child then this is a good quarter for you. Women might be able to get pregnant, but will need to take special care of their health for the next two months.

October 2014 to December 2014

The end quarter of the year might be the worse part of the year for your married life. You must make an effort to bring peace to your partner because he or she may not be in a position to understand what they are going through and why they are doing what they are doing. So it is best for you to be a pillar of support for your life partner. The first and the second part of the quarter may be bad, but things are expected to brighten up by the end of the year. Your partner's health may be affected too during the quarter, though there will be relief by the end.

There are fair chances of receiving support and help from your father and friends. You may also get land during this time. If you are planning to make an investment then you may do so during the last of the quarter. There are chances of your life-partner getting a promotion in their workplace. Behave fairly with your domestic help as it might create problems for you if they leave the job suddenly.

Pisces Predictions 2014 - Remedies

You should do the path for Sankatmochan in the first three quarters of the year in the evenings. Apart from this, you can do the path of Narayan Kawach the entire year everyday either in the mornings or the evenings. Apart from this you should feed a Roti made of freshly kneaded dough and a little sugar to a cow. To reduce the effects of Saturns Dhaiyya, please chant 'Om Shane Shanashcharaye Namah" 108 times every Saturday.
